Overview:

Dell Pro 11-14 Plus EcoLoop Sleeve CV5426 for Everyday Laptop Protection
Designed for professionals who need lightweight and reliable protection, the Dell Pro 11-14 Plus EcoLoop Sleeve CV5426 offers a streamlined way to carry and safeguard your laptop. Its slim profile makes it easy to slip into a backpack or carry on its own, while durable materials and reinforced padding help shield devices from daily wear. The sleeve supports laptops from 11 inch to 14 inch, making it a practical option for work, travel, or commuting.

Description:

The Dell Pro 11-14 Plus EcoLoop Sleeve CV5426 combines portability with dependable protection in a compact form factor. Built with 400D fabric and XPE foam cushioning, it provides 360 degree padding to guard against bumps and scratches. A weather resistant exterior and water resistant zipper help protect your device in changing conditions, while the front pocket keeps accessories organized. With a detachable shoulder strap and luggage pass through, it adapts easily to different travel needs. Part number NBDE460-BFGC ensures accurate identification when sourcing or reordering.

Features:

Slim Design with Practical Storage
Despite its compact size, the sleeve is engineered to maximize usability. A zippered front pocket allows quick access to essentials like cables, chargers, or documents without adding bulk. The clean, minimal design suits both professional and casual environments, while the black finish maintains a modern, understated look.

Built for Mobility and Travel Convenience
Carrying flexibility is a key advantage of this sleeve. Use the adjustable shoulder strap for hands free transport, or attach it securely to rolling luggage using the integrated strap when travelling. Its lightweight construction ensures it does not add unnecessary weight to your load.

- Adjustable and detachable shoulder strap for flexible carrying
- Integrated luggage strap for easy travel use
- Lightweight build at approximately 353.8 g

Reliable Protection with Eco-Conscious Materials
Protection extends beyond padding. The sleeve uses durable, anti-scratch materials and weather resistant construction to keep your device safe in everyday conditions. It is also designed with sustainability in mind, incorporating recycled materials including ocean bound plastic.

- 360 degree cushioning with XPE foam padding
- Water resistant zipper and weather resistant exterior
- Anti-scratch finish for long term durability
- Made with 51 percent recycled materials
- Includes 100 percent ocean bound plastic content
