MSI PCBuilder Intel i5-12400 Home Master Windows 11 Desktop PC

Product Overview

MSI PCBuilder Intel i5-12400 Home Master Windows 11 Desktop PC, Intel i5-12400 6-core 2.5GHz LGA1700 CPU, H610 Chipset Intel LGA1700 Micro-ATX Motherboard, 16GB DDR4-3200 Desktop Memory, 500GB M.2 Gen3 NVMe SSD, 300W ATX Non-Modular Power Supply, PCBuilder bunker Micro-ATX Chassis, Microsoft Windows 11

Specifications

Overview:

Strategize and reach your targets easily with the PCBuilder Intel i5-12400 HOME Master Windows 11 Desktop PC. This pre-built desktop PC is designed for use at home or in the office and is powered by an Intel i5-12400 CPU with built-in Intel graphics. It also comes with an H610 chipset motherboard, 16GB of high-speed DDR4 memory, and a 500GB M.2 NVMe SSD.

Built with efficiency in mind so you can reach your deadlines on time, this pre-built PC has everything you need to hit those daily targets. With Microsoft Windows 11 already installed, you can also run the latest versions of all your apps with more features and better security. Its built-in Intel graphics are also a great option for presentations and video content or editing.

The HOME Master features an Intel i5-12400 CPU and DDR4 memory, which will ensure that every task gets completed quickly and efficiently. With 6 cores and 16GB of DDR4 memory, no task is too much for it to handle. Data can be transferred and applications can be loaded at lightning-quick speeds thanks to the included M.2 NVMe SSD. This makes using apps like Microsoft Word and Excel run even more smoothly, so you can get more work done.

All the components are held together with a high-performance Intel LGA1700 Motherboard with Lightning Gen 4 support. The motherboard delivers an efficient and productive experience with stable functionality and maximum performance. Everything is protected and held together inside a sleek-looking Micro-ATX Chassis. This modern-looking compact chassis is easy to maintain and upgrade, while its smaller form factor is great for saving some space in the home or office.

The HOME Mater comes installed with Windows 11 which has easy-to-use tools that can help you optimize your screen space and maximize your productivity. It features great tools like Microsoft Edge, the new and improved Microsoft Store, Snap Layouts to arrange your open windows into grids, Desktops for better organization, as well as Widgets.

Windows Security also offers advanced protections to defend against today's ever-changing cyber threats. This includes device encryption, find my device, firewall and network protection, internet protection, parental controls, secure boot, and

Windows Hello among other features.

Norton Security Software is designed to protect your connected device as well as your personal information and offers more powerful layers of protection from ever-changing threats. It can protect your PC or Mac from viruses, ransomware, malware, and other online threats while you bank, shop and browse the internet. It ensures that your personal device is protected from unauthorized access to your personal files and the financial information it stores with the Smart Firewall.

Features:

- Keep your components protected in the sleek-looking PCBuilder Bunker Micro-ATX Chassis
- Four-Core Intel i5-12400 CPU with a boost clock of up to 4.4GHz
- Built-in Intel graphics designed for videos and presentations
- High-quality and reliable performance with DDR4 Desktop Memory
- Get lightning-fast storage with a 500GB M.2 Gen3 NVMe SSD.
- Durable and versatile Intel LGA1700 Micro-ATX Motherboard
- Microsoft Windows 11 Operating System

Specifications	
Product Code	PCB_HOME_I516G
Operating System	Microsoft Windows 11
Software	Norton Security Software
Intel i5-12400 6-Core 2.5GHz LGA1700 CPU	
Cores	6 Cores
Performance-core Base Frequency	2.5GHz
Max Turbo Frequency	4.4GHz
Socket	LGA1700
H610 Chipset Intel LGA1700 Micro-ATX Motherboard	
Socket	LGA1700
Form Factor	Micro-ATX
16GB DDR4 3200MHz Desktop Memory	
Capacity	16GB
Data Transfer Rate	3200MHz
Generation	DDR4
500GB M.2 Gen3 NVMe SSD	
Capacity	500GB
300W ATX Non-Modular Power Supply	
Rated Output Power	300W
Cooling	120mm Silent Fan

PCBuilder Bunker Micro-ATX Chassis	
Type	Micro-ATX Mid Tower
Side Panel	Steel
Expansion Slots	4
Dimension	38 x 21 x 38 cm
