Specifications

Overview:

Overtake the opposition with the PCBuilder Intel i5 12500 SLIPSTREAM Windows 11 Gaming PC. This pre-built gaming PC is powered by a 12th-generation Intel Core i5-12500 CPU. It also comes with an MSI B660 chipset motherboard, 16GB of high-speed DDR4 memory, an NVMe SSD and a 750W power supply.

This Intel i5 Pre-built PC has everything you need to stay ahead of the pack and is a great way to enjoy games in high detail. Better yet, with Microsoft Windows 11 already installed, you can also run the latest versions of all your apps with more features and better security. The SLIPSTREAM also features an MSI GeForce RTX 3060 Graphics Card and is powerful enough to enjoy your favourite games.

The SLIPSTREAM features the latest Intel 12th Generation Series CPU and DDR4 memory, which will ensure that every task gets completed quickly and efficiently. With 6 cores and 16GB of DDR4 memory, no task is too much for it to handle. Data can be transferred and applications can be loaded at lightning-quick speeds thanks to the included NVMe SSD.

All the components are held together with a high-performance MSI LGA1700 Motherboard with Lightning Gen 4 support. MSI motherboards deliver an efficient and productive experience with stable functionality and high-quality assembly. Everything is protected and shown off inside the MSI MPG GUNGNIR 111R ATX Gaming Chassis with its modern design and tempered glass. The gaming chassis comes equipped with a semi-transparent tempered glass panel and a streamlined body with a semi-vented front design with ARGB lighting.

The SLIPSTREAM comes installed with Windows 11 which has easy-to-use tools that can help you optimize your screen space and maximize your productivity. It features great tools like Microsoft Edge, the new and improved Microsoft Store, and Snap Layouts to arrange your open windows into grids, Desktops for better organization, as well as Widgets. Gaming is also now easier than ever, simply turn on your PC & start playing your favourite games straight away.

Play over 100 high-quality PC games, plus new and upcoming blockbusters on day one like Halo Infinite, Forza Horizon 5, and Age of Empires IV with your new SLIPSTREAM Gaming PC and one month of Xbox Game Pass-including EA Play. With new games added all the time, there's always something new to play.

Windows Security also offers advanced protections to defend against today's ever-changing cyber threats. This includes device encryption, find my device, firewall and network protection, internet protection, parental controls, secure boot, and Windows Hello among other features.
