Specifications

Features:

QLED. The Next Innovation in TV.
Experience the next innovation in TV and see colour in a whole new light with our Q8C Curved QLED TV. Ground-breaking Quantum Dot technology delivers Certified Ultra HD Premium picture quality and a world's first 100% colour volume*.

Q Colour
See all shades of colour brought to life in a whole new light. QLED delivers a world 1st in TV picture quality, achieving 100% colour volume*. Utilising ground-breaking Quantum dot technology, QLED takes light and turns it into breath-taking colour. Make nights in spectacular and experience sport as if you're in the stadium.

Q Contrast
Discover bold contrast, night and day. With extremely low light reflectivity, QLED TVs deliver an incredible picture and impeccable contrast across a wider variety of lighting environments than any other. Experience a picture that's perfect in all conditions.

Q HDR 1500
Discover ultimate detail as the creators intended. QLED TVs will enable you to experience the full potential of the latest open HDR standards. New Quantum dot technology delivers exceptional brightness levels. Enjoy the latest Ultra HD Blu-ray movie, stream your favourite box set or play the biggest titles in incredible HDR.

Q Viewing Angle
Make every seat a great seat with stunningly wide viewing angles. There's no more fighting with the rest of the family over the prime viewing spot. From the middle of the sofa to the corner armchair, Q Viewing Angle places everyone in the best seat in the house.

Design your space
With a stunning full metal rear design and a near-invisible optical cable that removes clutter, this isn't just a TV - the Q8C is a

statement piece that adds an effortless touch of minimalist style and elegance to any living space.

Near-invisible connection
Design your space with a single, near-invisible optical cable for all your connections - hidden from view in a slim, sleek stand. Gone is the frustrating clutter of multimedia devices and unsightly leads, leaving a stylish, minimalistic living space. Create the living room of tomorrow - a clean, minimal and frustration-free haven.

Clean Back
A beautiful TV deserves a better way to manage cables. QLED TVs hide the wires in the stand so you can sit back and enjoy the view.

No Gap Wall-Mount
Close is never enough. QLED TVs* mount flat against the wall in no time at all, leaving virtually no space. Get the perfect view that fits flawlessly in your home.

Boundless 360 degrees Design
Gorgeous minimalistic design from every angle. Discover a boundless 360 design with our most breath-taking TV yet. Experience gorgeous minimalistic style from every angle with a stunning full metal back and a practically bezel-less design that pushes your picture to the limit. Every inch has been thoughtfully crafted from premium metals.

Practically Bezel-less Design
Watch action spring to life. With almost no bezel around the screen, you'll feel as if you are part of the movie.

Full Metal Design
Never compromise on design. QLED TVs offer prestigious craftsmanship, with a modern and sleek all metal design that fits perfectly in any setting.

Curved Screen
Immerse yourself in the action and feel as if you're at the heart of every moment, with a curved screen that surrounds you with a world-class viewing experience. Discover a deeper, wider and larger perceived picture that captivates you from every angle. Be drawn into the scene and discover state-of-the-art technology that's improving how we view TV.

Smarter than ever
Discover the new Smart era with unlimited potential. Take back control of your world and experience the Smartest TVs on the planet.

One Remote Control
Control all of your compatible devices and content with the Premium One Remote. Experience complete control, seamless multi-tasking and laid-back viewing as you change channels on your set-top box, play the latest blockbuster on your Ultra HD Blu-ray player, ramp up the audio on your soundbar or simply surf the web on the big screen.

Smart Hub
Easy access to all your content and connected devices from one place. Discover must-have entertainment through Samsung's intuitive 2017 Smart Hub. From late night Netflix marathons to bingeing on UHD box sets, you're only ever 3 clicks from your favourite content. Use S Voice on your remote to talk to your TV.

Smart View
Easily browse content and control your TV from your mobile.* Effortlessly connect your compatible mobile device with your TV to stream the latest viral sensation. You'll never miss a moment as you make a cup of tea. Challenge your friends and play games, using your mobile device as a controller. You can even search for your favourite content without disturbing what you're watching.

Game

Play world-famous streaming & PC games on your TV. Access the latest titles, play old favourites and discover a whole world of entertainment through cloud gaming without the need for a console. Turn your front room into your own personal arcade, and take gaming to the next level!

Q Engine

Powerful processing for a spectacular entertainment experience. Samsung's Q Processing Engine elevates super-fast multi-tasking capabilities and fuels the effortless performance of Samsung's 2017 Smart Hub. It optimises ground-breaking picture quality on everything you watch and delivers significant advances in streaming capabilities.
