Product Overview

Port Designs MANHATTAN Black 13"/14" Backpack - 255 x 340 x 30 mm

Specifications

Features:

- Manhattan Backpack is part of our professional bag range.
- This very sturdy bag ensures optimal protection for your laptop.
- This modern and assertive style (reflected across our Manhattan range) was fully developed by our designers in our creative studio in Paris.
- Manhattan Backpack has a padded interior compartment to provide optimal protection for your laptop.
- There is also a compartment for tablets up to 10.1", as well as a double compartment with organiser to store all your documents, a dedicated compartment for storing your accessories, and also a dedicated compartment for storing your laptop charger.
- In addition, the entire backpack is fully padded, providing extra protection for all your belongings and your computer equipment.
- For optimal comfort, our designers have chosen a padded back, shoulder strap and handle, as well as a chest strap for improved support. The metal logo and zippers offer optimum quality and durability.
- This backpack also has another, not insignificant, feature : a waterproof cover to protect your belongings from rain or even moisture. Indeed, below the backpack there is a hidden zipped pocket containing this waterproof neon cover, a very practical colour since, as well as offering protection from rain, it allows you to be seen from afar by motorists when walking or even cycling.
- You will also find a trolley strap on the reverse of this bag, which is very convenient for carrying your bag and trolley with one hand.
- The mesh pocket on each side of the backpack is convenient for carrying bottles of water, for example. A hidden zipped back pocket allows you to safely store your bank cards or smartphone, for example.
- A hidden zipped back pocket allows you to safely store your bank cards or smartphone, for example.
- Additionally, this bag is made of extremely durable and resistant 1680D nylon.
