Product Overview

Zagg InvisibleShield Glass XTR4 Apple iPhone 16 Pro screen, EZ apply installation Process, Antibacterial Technology, Eyesafe RPF60 Technology Blue Light Filter (iPhone note included)

Tray may vary from image shown depending on device.

Specifications

Overview:

Zagg 200114880 Glass XTR4 Apple iPhone 16 Pro Screen Protector

Our Most Advanced, Tempered Glass Screen Protector

XTR4 is the strongest screen protector from ZAGG. It's made with graphene and Hexiom technology, making it 11x stronger than traditional glass screen protection. XTR4 also features advanced blue light filtration, anti-reflective technology, and a dust-free installation process for maximum screen protection and visual comfort.

Features:

- Up to 11X StrongerXTR4's screen protection, fortified with graphene, has been tested up to 11X stronger than traditional glass screen protection.
- Fortified with GrapheneGraphene is one of the strongest materials in the world, providing superior durability and strength.
- Improve Eye Comfort and SleepXTR4 is the world's first screen protection with Radiance Protection Factor 60 technology that filters blue light, which can disrupt sleep.
- Enhances Color VibrancyAnti-reflective technology increases transmitted light, improving screen clarity and enriching colors for deeper blacks, true blues, and more vibrant reds.
- Enhanced Scratch ProtectionXTR4 has a nano-infused surface that makes it incredibly hard and scratch-resistant.
- Maximum Touch SensitivityXTR4's SiO2-enhanced coating ensures maximum touch sensitivity and provides a smooth surface for frictionless swiping.
- Recycled ContentXTR4 is made with up to 30% post-consumer recycled glass.
- Anti-microbial TreatmentAnti-microbial treatment protects the screen protector from degradation by microorganisms.
- TÜV Rheinland Certified Green Product MarkXTR4 is made with up to 30% recycled glass, its installation tray is made from 100% recycled content, and its packaging is 100% recyclable.
- FSC CertificationWith recyclable packaging made from 100% recycled materials, XTR4 has been certified by FSC, an organization working to protect healthy forests.
- Easy, Dust-free InstallationApplying XTR4 is easy with the anti-dust adhesive and EZ Apply installation tray that ensures precise alignment.
