Port Designs Noumea II Blue Universal 9-10" Universal Tablet Case

Product Overview

Port Designs Noumea II Blue Universal 9-10" Universal Tablet Case

Specifications

Overview:

The Port Designs Noumea II Universal Folio is a versatile and stylish protective cover designed to fit 9 to 11-inch tablets with ease. Thanks to its innovative Universal Elastic System (UES), this folio cover ensures a secure and adaptable fit, making it the perfect solution for users who need reliable protection across various tablet models. Its ultra-slim design not only enhances portability but also adds a touch of elegance and is available in multiple colours to complement your personal style.

Designed for both entertainment and productivity, the Noumea II offers adjustable video positions for comfortable viewing, whether you're watching movies, streaming your favourite series, or participating in virtual meetings. For those who need to work on the go, the optimized typing position provides a stable and ergonomic setup, allowing for efficient note-taking, writing, or browsing. This thoughtful design ensures that your tablet remains functional and convenient in any setting.

Beyond aesthetics and functionality, the Noumea II prioritizes protection and accessibility. The durable screen-protective flap safeguards your device from scratches and impacts, ensuring long-lasting use. With intelligently placed cutouts, all buttons and ports remain fully accessible, allowing seamless connectivity without removing the case. The Port Designs Noumea II is a reliable, high-quality folio cover built to meet the demands of modern tablet users.

Features:

- Universal Elastic System (UES) for perfect compatibility
- Screen protective flap
- Adjustable video positions
- Typing position
- Ultra-slim design with several colours available
- Accessible connectivity and buttons
