Product Specification Sheet

PORT Designs precursor of IT ECO manufacturers : First eco range launched in 2009. PORT corporate philosophy aims to reduce our carbon footprint & implement a sustainable approach of social and environmental responsibility. With over 30 million bags sold, it is our duty to act for the planet and contribute to reduce our clients footprint with an eco range. The YOSEMITE ECO RANGE is mainly made of recycled materials (PET & r-PET). The use of these materials contributes to reduce our carbon footprint and act positively for the environment.

Elegant & design ECO sleeve

This stylish cover is made from 72% recycled material (r-PET & PET). Its compact and ultra-light design makes it very practical on the go. Its chic and consensual design make it an ideal cover to transport and protect your laptop.

Zippered pocket for accessories

You will find in this cover an entirely padded structure dedicated to the maintenance and protection of your laptop. You will also have room to store your personal effects in a large zippered pocket on the front.

Practicality and ergonomics

This slim and elegant design cover can be slipped into your backpack or bag for optimal protection of your computer.
