Product Overview

Sharkoon 1337 RGB Gaming Mat XL - 450 x 380 x 3mm, Retail Box

Specifications

Overview:

With the 1337 RGB Gaming Mat, Sharkoon expands their popular 1337 series with a multicolored highlight. Like the other gaming mats of the series, the 1337 RGB offers an extremely robust textile surface with optimum gliding properties as well as a nonslip rubber base for a perfect hold. However, the flexible, soft-surfaced mat is now bordered by RGB illumination, transforming a discreet mouse pad into a piece of effective gaming equipment. For an uninterrupted and perfectly eye-catching glow, the illumination is stitched on with transparent nylon.
