Specifications

Overview Summary

Hisense 40A4Q 40" FHD Smart TV

The Hisense 40A4Q delivers a sharp Full HD (1920 x 1080) viewing experience on a 40-inch VA panel with direct LED backlighting. Equipped with the VIDAA U8.5 smart platform, it provides seamless access to streaming apps, enhanced visuals, and clear audio-bringing everyday entertainment to life.

This model features Natural Colour Enhancer, Noise Reduction, Game Mode, and Dolby Audio, all housed in a sleek, energy-efficient design ideal for homes and small living rooms.

Performance tier:Mid-range

Uses: Streaming movies, TV shows, casual gaming, daily TV viewing

Description

The Hisense 40A4Q is designed for everyday entertainment in the South African home. With its Full HD VA panel and direct LED backlighting, it brings vibrant colours and sharp visuals to your favourite shows and movies. The slim bezel design and lightweight construction make it a great fit for both stand placement and wall mounting.

Powered by VIDAA U8.5 smart OS and Alexa voice support, it lets you stream effortlessly and control playback hands-free. Game Mode, Noise Reduction, and Dolby Audio enhance both gaming sessions and cinematic viewing, while efficient power use keeps running costs modest.

Features

FHD Resolution

Enjoy the clear and consistently sharp visuals of FHD screens. A vibrant colour spectrum, and wide viewing angles, make daily viewing a consistent pleasure.

High Contrast

Embrace Hisense's High Contrast, where deep blacks and luminous whites converge, silhouettes and highlights emerge with clarity. Every scene is captured with its intended intensity.

Natural Colour Enhancer

Ever noticed how lifeless nature looks on TV? With Natural Colour Enhancer, witness grass at the greenest and wildflowers in the vibrant bloom. Experience nature on screen as in real life.

Noise Reduction

Fed up with grainy videos disrupting your entertainment? Hisense's Noise Reduction scans and filters every frame, bringing exceptional clarity to both high-speed action and low-light scenes. Enjoy every detail.

Depth Enhancer

Even vibrant scenes feel flat? Hisense's Depth Enhancer changes the game. From bustling marketplaces to serene sceneries, it crafts lifelike layers and striking details. Dive into a richer narrative.

AI Sports Mode

AI Sports Mode leaps to the rescue of blurry movements in sports. The tailored mode creates truly stadium-like sports scenes, making every detail of the game crystal-clear. It also enhances sound effects of even the crowd and commentator's voices.

DTS-X & Dolby Audio

Movies, TV shows, sports, music-the entertainment you love is even better when you hear it on Hisense TV with DTS Virtual:X and Dolby Audio. Its crystal clarity, easy-to-hear dialogue, great detail, and realistic surround sound effects all come together to dial up the impact of your favorite scenes and events.

Game Mode

Say goodbye to game-ruining lag. Hisense's Game Mode cuts the delay down to 16ms. Move with precision, react in real time, and clinch those victories. Every millisecond counts.

Share to TV

Switching between devices is outdated. Hisense's Share to TV beams your favorite content from your device straight to your TV. Mirror or share-it's your choice, and it's hassle-free.

Smart OS

ComX Computers

Product Specification Sheet

VIDAA TV: Welcome to the future of TV! Our state-of-the-art operating system seamlessly unifies your favorite international and local content, tailored to your unique preferences and easy to find.
