Product Overview

Manhattan Mobile Security Lock - Key lock with 2 keys, 1.4 metre, Steel cable, Die cast zinc alloy, Cable diameter - 3 mm, Clear PVC Jacket, Retail Box

Specifications

Overview:

Mobile Security Lock

Key Lock, 1.4 m (4.6 ft.), Clear PVC Jacket

Model Number: 440271

Helps protect notebook computers and data from theft.

Most electronics theft is a crime of opportunity. It only takes a second to quickly steal an unprotected notebook computer from a desk or table. Millions of dollars of hardware and billions of invaluable data are stolen and unrecovered each year. The Manhattan Mobile Security Lock with its key lock (includes two keys) helps guard notebook computers, flat panel displays, projectors, cameras and other valuable portable electronics from theft.

Using the built-in security slot ("K-slot"), its steel cable and all-metal construction when secured to a permanent object help resist tampering to discourage any would-be thieves.

Better Safe Than Sorry

Easily installed, the Manhattan Mobile Security Lock makes an ideal accessory for home, office, school, travel and other locations where expensive electronics are at risk. A durable PVC coating helps protect electronics, furniture and other objects from scratches and damage.

Features:

- Helps deter theft of notebook computers and other valuable equipment
- Fits built-in security slot and secures to a desk or other stationary object
- Strong steel cable and solid, all-metal construction resist tampering
- Protects electronics at home, office and school - ideal for travel
