Specifications

Overview Summary

The Alienware 18 Backpack AW7825P (Dell part 460-BFCQ) is a premium, weather-resistant backpack designed for gamers and professionals who need to transport their 18-inch laptops securely and stylishly. Featuring a sleek black design with a 3D iridescent reflective Alienware logo, this backpack combines functionality with Alienware's signature aesthetic.

Performance tier:Premium Gaming Gear

Uses:Gaming laptop transport, daily commuting, travel, professional use, tech accessory storage

Overview

Keep your gaming devices and accessories organised and protected with the ultimate travel backpack.

Description

The Alienware 18 Backpack AW7825P is meticulously designed to meet the needs of gamers and professionals who require a reliable and stylish solution for transporting their 18-inch laptops and accessories. The backpack's ergonomic design ensures comfort during extended wear, while its weather-resistant materials provide durability against various environmental conditions. The inclusion of magnetic pocket organizers and an RFID-safe pocket enhances convenience and security, making this backpack an ideal companion for daily commutes, travel, and gaming events.

Features

Built for exploration

The Alienware 18 Backpack keeps your gear safely locked in place, so you can travel with peace of mind.

Optimised storage

Keep your gear orderly and accessible with dedicated spaces for all your essentials.

Secure inside and out

Breathable 3D mesh protects devices from overheating in the laptop and tablet sleeves. A molded outer shell and inside top bumper protects from jolts and drops.

Undeniably alien

The 3D reflective Alienware logo tosses iridescent colours when illuminated, while gradient aura zipper pullers provide night

visibility.

Fit all your essentials

Our optimised and spacious backpack fits all everything you need for on-the-go gaming, keeping gear organised, accessible and protected.

Weather resistant exterior

Fortify your gear with a backpack resilient to weather and every day wear. Additional bottom and side PU coating enhances water and dirt resistance, so you can travel without worry.

Protective laptop compartment

The laptop sleeve is lined with 3D breathable mesh and protected with 360degrees XPE foam and top bumper-.

Resilient body

Made with premium 600D woven fabric, its heavy-duty exterior is molded and structured to maintain shape.

Iconic and sustainable

The undeniably Alienware design stands out from the crowd. The exterior main fabric is made with 100% recycled plastic and it arrives in 100% recycled or renewable materials with the elimination of plastic bags.
