Canon GI-43 Black ink bottle

Product Overview

Canon GI-43 Black ink bottle, 3800 pages yield, Compatible with --> G540 / G640 printers

Specifications

Overview:

- Experience excellent print economy with this high-yield ink refill
- Print up to 3,800 photos from a full set of ink refill bottles
- High-quality, long lasting prints thanks to ChromaLife100 ink

Features:

Print high volumes of photos at a low overall cost with this 60 ml bottle of dye-based yellow ink. Ideal for photos and documents, this ink lets you print up to 3,800 photos from a full set of ink refill bottles, allowing you to go longer between refills. Experience high-quality photographic printing and longevity thanks to the innovative ChromaLife100 ink, which ensures your prints last up to 100 years. An improved mess-free, no-squeeze design, and colour-coded mechanical ID means refilling your ink tank has never been easier.

Benefits

- Go longer between top ups and lower your printing costs with a bottle of this 60 ml yellow high yield ink
- Print up to 3,800 4x6 colour photos¹ from a full set of ink refill bottles
- ChromaLife100 ink provides improved photo quality prints with vibrancy and colour stability
- Print high-quality photos at high volumes thanks to genuine Canon ink
- Improved no-squeeze bottles with colour-coded mechanical ID allows for error-free ink refilling
- Suitable ink for topping up your refillable MegaTank printer
