Canon AS-220RTS 12-digit mini-desktop calculator

Product Overview

Canon AS-220RTS 12-digit mini-desktop calculator, incorporates a stylish Arc design enabling it to suit all offices, Other features include 120-steps Check and Correct, Auto Check function, and angled display.

Specifications

Overview:

- 12-digit compact desktop calculator.
- Stylish Arc body.
- 120 calculation steps memorised and accessed with Auto Check key.
- Extensive business and tax functions.
- More sustainable, using Canon recycled product material for some plastic parts.
- Energy-saving automatic power-off.

Features:

Extensive tax and business functions

With its comprehensive functions, the 12-digit AS-220RTS calculator is useful in any business or accounting environment. Its business calculation key handles cost sell margins at a touch. Check and Correct can hold up to 120 calculation steps in its memory, with the Auto Check key scrolling through each step in sequence. Letting users view calculations, make changes and re-submit. Plus, all the regular keys needed for calculation efficiency, including Percentage, Sign Change and separate 0 and 00 keys.

Compact and professional style

With its Arc curved body, the AS-220RTS, measuring 134mm wide, is compact enough to be portable and fit in the palm of your hand. Designed for general use, with its smart dark grey finish, it looks equally professional on any desk or shelf.

Strong environmental credentials

With the AS-220RTS you can choose both style and sustainability. That's because Canon recycles materials to make some of the plastic components. Fulfilling environmental procurement best practice and sustainability choices used by most large organisations today.

Energy efficient

ComX Computers

Product Specification Sheet

For reliable handling, this calculator has solar battery power. Ensuring dependable usage in all lighting conditions and environments. When not used for 7 minutes, the 'auto power-off' function' will switch the calculator off, conserving battery resources further.

Large adjustable display panel

Compact it may be, but the AS-220RTS has a large LCD display screen. Tilt and angle the panel to suit personal comfort and lighting conditions for clearer readings and to stop light glare and reflections.

Specifications:
