Specifications

About this product

The Verbatim Store 'n' Go Hi Speed PinStripe 16GB USB Flash Drive in black is a compact and lightweight portable storage solution designed for everyday data transfer and backup. Its retractable push-and-pull sliding USB connector helps protect the interface without the need for a cap, while the distinctive PinStripe finish provides a stylish appearance. Ideal for storing documents, photos, music and videos, this reliable USB flash drive is perfect for home, school and office use. Buy now from our website for quick delivery in South Africa.

Overview Summary

Verbatim Store 'n' Go Hi Speed PinStripe Black 16GB USB Flash Drive

The Verbatim Store 'n' Go Hi Speed PinStripe 16GB Flash Drive offers dependable portable storage in a compact and lightweight design. The retractable push-and-pull mechanism protects the USB connector when not in use, eliminating the need for a separate cap while making the drive easy to carry every day.

With 16GB of storage capacity, this USB flash drive is suitable for transporting documents, presentations, photos, music and other digital files between compatible devices. Its durable housing and distinctive striped PinStripe finish make it a practical choice for students, professionals and home users looking for reliable removable storage.

Performance tier: Entry-level everyday USB flash storage

Uses: File storage, document backup, photo storage, music transfer, school work, office files, portable data sharing

Overview

Portable and fast, ideal for all your storage needs! Available in a wide variety of colors and capacities, Verbatim(RegTM) PinStripe USB drives make storing and organizing your important files quick and easy. The convenient cap-less design with retractable housing protects the USB connector and easily slides in and out.

Description

The Verbatim Store 'n' Go Hi Speed PinStripe 16GB Flash Drive is designed for users who need convenient portable storage for everyday digital files. Its lightweight construction makes it easy to carry in a pocket, laptop bag or backpack, while the retractable USB connector helps protect the interface during transport.

The capless push-and-pull sliding mechanism provides quick access to the USB connector without the inconvenience of losing a protective cap. The distinctive PinStripe textured finish gives the drive a professional appearance while providing a comfortable grip during use.

With 16GB of storage capacity, the flash drive is suitable for transferring documents, spreadsheets, presentations, images, music and other commonly used files between compatible computers and devices. It is an excellent choice for students, business users and home users who require dependable portable storage for daily tasks.
