Lenovo 4XD1Q30302 Wireless Stereo Headset - Bluetooth 5.3 with Dual connection

Product Overview

LENOVO 4XD1Q30302 Wireless Stereo Headset - Bluetooth 5.3 with Dual connection, USB-C to USB-C cable, 40 mm Driver, 3 microphones for ENC, Up to 30m Wireless operating distance, 1.3 m cable length/Type, 60 hours Play time, 2 hours Battery charging time

Specifications

Overview Summary:

The Lenovo 4XD1Q30302 Wireless Stereo Headset delivers unmatched audio clarity and comfort for all-day use. Featuring Bluetooth 5.3 with dual connection, three microphones with environmental noise cancellation, and replaceable earcups, this headset ensures seamless calls and immersive music experiences. With up to 31 hours of talk time and 60 hours of playback, it's perfect for work or leisure. Shop now and enjoy premium sound designed for productivity and entertainment.

Lightweight and intuitive, the Lenovo headset keeps you connected effortlessly. Its USB-C to USB-C cable and long wireless range of up to 30 meters make it ideal for versatile use. Buy now to elevate your audio experience with a professional-grade headset.

Performance tier: Premium

Uses: Office calls, online meetings, music listening, remote work, gaming, multimedia consumption

Overview:

Lenovo Wireless Stereo Headset 4XD1Q30302
Experience a professional-grade audio solution with the Lenovo Wireless Stereo Headset 4XD1Q30302 . Designed for both productivity and entertainment, this headset offers crystal-clear sound, long-lasting battery life, and ergonomic comfort for extended use. Its advanced noise cancellation technology ensures your calls and meetings remain uninterrupted, while multipoint Bluetooth connection keeps you seamlessly connected to multiple devices.

Description:

The Lenovo Wireless Stereo Headset combines superior sound quality with practical design for everyday use. Equipped with three microphones for environmental noise cancellation, it delivers clear calls in busy environments. The headset supports Bluetooth 5.3 with dual connection and offers up to 31 hours of talk time or 60 hours of music playback. Lightweight at approximately 138 grams, it features adjustable and replaceable earcups and a double-sided boom microphone for comfort and convenience. Users can also personalize settings through Lenovo Accessories and Display Manager.

Features:

Advanced Noise Cancellation for Clear Calls
This headset uses three microphones with environmental noise cancellation to reduce background noise, ensuring every call is crisp and clear.

Reliable Bluetooth Connectivity
Equipped with Bluetooth 5.3 and dual-device connection, the headset allows you to switch between phone and laptop effortlessly.

Long-Lasting Battery Performance
Enjoy up to 31 hours of talk time and 60 hours of playback, with a quick 2-hour recharge to get back to work or entertainment quickly.

Lightweight Design for All-Day Comfort
At just 138 grams, the headset is designed to remain comfortable during extended wear, with replaceable earcups that adapt to your preferences.

Enhanced Microphone System
The double-sided boom microphone delivers professional-level audio capture, ideal for calls, virtual meetings, and online collaboration.

Customizable Experience
Tailor your headset settings and performance with Lenovo Accessories and Display Manager, enhancing usability and personalization.

Versatile Wired and Wireless Options
Includes a USB-C to USB-C cable for reliable wired connectivity, complementing its wireless capabilities and ensuring uninterrupted use.
