

65568

Goobay Optical Hybrid HDMI (AOC) 30m cable with Ethernet

Product Overview

Goobay 65568 Optical Hybrid HDMI (AOC) 30m cable with Ethernet, 4K Ultra HD 2160p (60Hz) maximum Resolution

Specifications

Overview:

Optical Hybrid High Speed HDMI Cable with Ethernet (AOC) (4K@60Hz)

High-speed cable, 4K @ 60 Hz, for long transmission distances

The optical High Speed HDMI Cable is ideal for bridging distances of up to 100 m, offering significantly more flexibility and higher transmission rates than a conventional copper cable.

- Supports high-resolution UHD signal transmission with up to 4K @ 60 Hz (2160p), a max. transmission rate of up to 18 Gbit/s and all common features such as ARC (Audio Return Channel), HDCP, 3D and EDID
- 4K AOC cable (Active Optical Cable) with HDMI connectors and a hybrid fibre-optic copper conductor for interference-free transmissions
- Thanks to AOC technology, the cable bridges long cable runs without loss and achieves high data rates of up to 18 Gbit/s
- The fibre-optic cable converts electrical data signals into optical and back into electrical signals at the end of the cable (unidirectional)
- The slim, robust metal plugs with bend protection are especially convenient for confined spaces
- The High Speed HDMI Cable links TVs and monitors with game consoles such as PlayStation or Xbox, as well as projectors and streaming receivers e.g. Amazon Fire TV or Apple TV
- Fibreglass material makes the cable highly flexible, offering a very small bending radius

Connections	
Connection, contact material	gold-plated
Connection type	HDMI connector male (type A)
Connection, type	HDMI connector male (type A)
Connection 2, type	HDMI connector (type A)
Cable	
Cable type	round cable
Cable length	30 m
Inner conductor material	Hybrid (fibre optic + metal cable conductor)
Type 1, shielding	foil (aluminium)
Type 2, shielding	foil (aluminium)
Signal transmission	
Max. resolution	4K Ultra HD 2160p (60 Hz)
Supported video standards	4K Ultra HD 2160p (60 Hz)
other supported standards	HDR (High Dynamic Range), HDMI Ethernet Channel (HEC), 3D, HDCP 2.2, Consumer Electronics Control (CEC)
supported audio standards	Enhanced Audio Return Channel (eARC), Audio Return Channel (ARC)
General	
Color	black
Markings	CE, WEEE
Special feature	pliable
Operating temperature from	0 degreesC
Operating temperature up to	50 degreesC
Packaging type	Bulk
Dimensions / Weight	
Consumption Unit	1 pc. cable reel
