Specifications

Overview:

Blockbuster movies or live sports, Streaming apps or multiplayer games, The Skyworth (65G6A11T) Android TV delivers a world of content, apps and games to your living room. Less browsing, More watching. Apps like YouTube, Netflix and Showmax put personalized recommendations for videos, shows and sports on your home screen. Just Say what you want! Press the mic on your remote and tell the Skyworth (65G6A11T) Android TV what you want. Try "Jurassic Park", "romantic comedies set in New York" or "what's tomorrow's weather forecast?" From One screen to Another. Cast movies & TV shows, music, games, sports and more - from Android, iOS, Mac, Windows, or Chromebook to your TV. Just tap the Cast button on your mobile app to start playing on your TV. Entertainment for Everyone. Grab up to four gamepads, Android phones or tablets to play selected games head-to-head with friends. With Chromecast built-in, you can easily cast movies, shows and photos from your Android or iOS device to your TV. All you need to do is push the Cast button on your smart phone or Chrome browser on your PC. Chromecast has 1000+ enabled apps, over 200 000 TV shows and movies and over 30 million songs.

Voice search and personalised recommendations mean more time being entertained and less time hunting for something good. The Skyworth (55G6A11T) Android TV brings great content to you, so you can spend less time browsing and more time watching. If you know what you want, use voice search and let the TV find it. Just say "Masterchef" for on-demand episodes, behind-the-scenes YouTube videos, and full seasons on Google Play. Skyworth's Android TV supports many exterior devices such as gamepads, as well as wireless mouse and keyboards through USB and Bluetooth speakers. Smart phones can be used as a remote control through an external application. One can customise their TV to their preferences.

You can immerse yourself into another world with Skyworth's Android TV! With a powerful operating system and engine, you can enjoy beautiful graphics arcade racing, battle and adventure games with an instant response. Thousands of apps, millions of YouTube videos, the latest movies and music are all available on your TV. Now, TV is no longer for enjoying only TV programs but enjoying multiple forms of entertainment, from throughout the world. With Skyworth's Android TV, your living room becomes the centre of the world entertainment scene!
