Specifications

Overview:

The LG 65UH617V 65inch 4K UHD Smart LED TV features some of the most cutting edge innovations and integrates them into an ultra slim body. The HDR Pro feature of this LG UHD TV intelligently adjusts the brightness of the set's 65inch LED panel to breathe life into the displayed pictures. You can enhance the colors of the TV by changing the brightness level of the screen. The set's 3D color mapping uses 3D Gamut Mapping Algorithm to render lifelike hues. It enables viewers to enjoy remarkably natural shades by minimizing color distortion. The Ultra Surround Sound enhancement of the TV converts a conventional two channel speaker system into a virtual seven channel speaker system, delivering an audio output that engulfs you from all the directions. This LG 65inch smart TV comes preloaded with webOS 3.0. It is the latest version of LG's advanced operating system that is made specifically for TVs. The LG 65UH617V 65inch 4K UHD Smart LED TV comes in a metallic black finish that enhances.
