HP Poly EncorePro 545 USB-A Convertible Headset

Product Overview

HP Poly EncorePro 545 USB-A Convertible Headset

Specifications

Overview:

Unleash your call center productivity with the EncorePro 500 Series headsets for easy connects from home or the office.

Features:

Incredible call clarity

Experience enhanced call clarity with visual and tactile cues for optimal mic boom positioning. Enjoy superior sound quality and clear conversations with our voice-optimized frequency response.

Durable and comfortable

Equip your contact center employees with durable headsets designed for all-day use. Minimize breakages and downtime, saving time and money. And ensure employee comfort and satisfaction with our premium, lightweight design.

Noise-canceling microphone

Next-generation flexible microphone, with positioning guides, reduces background noise and interference, ensuring fewer missed words and a better caller experience.

Easy management via Poly Lens

Take control of your deployment from anywhere via remote management with Poly Lens cloud-based device management software.

Connection flexibility

Easily answer calls from your PC, regardless of the type of USB port you have, thanks to the convenient built-in USB-A and USB Type-C connectors on the same cable.

Optimized for communications platforms

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.
