Logitech MX Anywhere 3S Mouse - 2.4GHz / Bluetooth - Graphite

Product Overview

Logitech MX Anywhere 3S Mouse - 2.4GHz / Bluetooth - Graphite, Darkfield high Precision sensor technology, 6 buttons, Scroll Wheel, Horizontal scroll, Rechargeable Li-Po (500 mAh) Battery, 200-8000 dpi, 910-006929

Specifications

Overview Summary:

The Logitech MX Anywhere 3S wireless mouse is designed for professionals seeking precision and portability. With a sleek, compact design, it offers ultra-responsive tracking on any surface, including glass. Featuring an 8K DPI sensor, customizable buttons, and multi-device Bluetooth connectivity, it enhances productivity across workspaces. Its quiet clicks and long-lasting battery (up to 70 days on a single charge) make it ideal for focused, uninterrupted work. Perfect for remote work, travel, or tight spaces, the MX Anywhere 3S provides high performance in a compact form. Buy now to optimize your workflow with this versatile mouse.

Performance tier: Premium

Uses: Office work, remote work, travel, multitasking across devices, precision tracking, gaming, content creation

Overview:

Logitech MX Anywhere 3S Wireless Mouse - Compact Performance for Ultimate Precision
The Logitech MX Anywhere 3S is a versatile and high-performance wireless mouse designed to enhance your productivity on any surface. With its sleek compact design and cutting-edge technology, this mouse provides a seamless user experience, whether you're at home, in the office, or on the go. With advanced features like 8K DPI tracking, a customizable scroll wheel, and multi-device connectivity, the MX Anywhere 3S takes efficiency and precision to the next level.

Description:

Designed for professionals and power users, the Logitech MX Anywhere 3S delivers exceptional precision and control with its Darkfield high-precision sensor and a range of advanced features. This mouse offers ultra-responsive tracking on any surface, including glass, and supports up to three devices via Bluetooth. With its long-lasting battery, quick USB-C charging, and quiet click technology, it's built to work wherever and whenever you need it.

Features:

Compact and Portable Design for Maximum Convenience
The Logitech MX Anywhere 3S is engineered for mobility. Its compact size ensures that you can easily carry it in your bag or pocket, making it the ideal choice for remote work, travel, or tight workspaces. Despite its small form factor, this mouse doesn't compromise on performance, providing a robust solution for users seeking portability without sacrificing functionality.

Precision Tracking on Any Surface, Even Glass
Thanks to the 8K DPI Darkfield sensor, the MX Anywhere 3S can track on virtually any surface, including glass with a minimum thickness of 4mm. Whether you're working at a coffee shop with a glass table or at home on a wooden desk, this mouse delivers smooth, precise movement across all types of surfaces, allowing you to work uninterrupted.

Magspeed Scroll Wheel for Speed and Precision
The Magspeed scroll wheel on the MX Anywhere 3S offers lightning-fast scrolling, allowing you to glide through documents and web pages at speeds of up to 1,000 lines per second. The mouse's electromagnetic scrolling technology gives you more precision and speed than standard Logitech mice, with two modes: ratchet and hyper-fast scroll. This provides the perfect balance between speed and control, especially when navigating long documents or spreadsheets.

Quiet Clicks for Focused Work
The MX Anywhere 3S comes with upgraded quiet clicks, offering the same satisfying tactile feel while reducing noise. This makes it ideal for environments where noise levels need to be kept to a minimum, allowing you to focus more on your work

and less on distractions.

Multi-Device and Multi-OS Compatibility
Seamlessly switch between up to three devices with Bluetooth connectivity, and enjoy compatibility with Windows, macOS, and ChromeOS. The mouse works with Logi Bolt USB receivers, providing reliable connectivity, though it is not compatible with other Logitech USB receivers. For users working across multiple devices, this feature ensures smooth and uninterrupted productivity.

Long Battery Life with USB-C Charging
Stay productive longer with the MX Anywhere 3S's impressive battery life. A full charge lasts up to 70 days, and with just a 1-minute charge via USB-C, you can enjoy up to 3 hours of use. Whether you're in the middle of an intense work session or traveling, you can quickly top up your battery and continue working without interruption.

Optimize Your Workflow with Customizable Settings
The MX Anywhere 3S allows you to personalize your experience by customizing buttons, adjusting tracking speed, and setting app-specific configurations through the Logi Options+ software. Available for Windows and macOS, Logi Options+ helps you fine-tune your mouse settings for maximum productivity, giving you control over how the mouse interacts with your system and applications.

Key Benefits of the Logitech MX Anywhere 3S:

- Ultra-Precise Tracking:8K DPI sensor works on any surface, including glass.
- High-Speed Scrolling:Magspeed scroll wheel for fast and smooth navigation.
- Quiet Operation:Silent clicks for distraction-free work.
- Multi-Device Connectivity:Seamlessly switch between up to three devices.
- Long Battery Life:Lasts up to 70 days on a full charge with USB-C quick charging.
- Customization:Personalize settings with Logi Options+ for an optimized workflow.

The Logitech MX Anywhere 3S is the perfect choice for professionals who need a portable, reliable, and high-performance mouse. Whether you're working on a variety of surfaces, switching between devices, or customizing your workflow, this mouse delivers the precision and efficiency you need to get the job done.
