Logitech M240 silent Bluetooth Mouse - Off White - 2.4GHz / Bluetooth

Product Overview

Logitech M240 silent Bluetooth Mouse - Off White - 2.4GHz / Bluetooth, Smooth Optical Tracking, 400-4000 dpi range, 3 buttons, Line-by-Line Scrolling, 18 months Battery Life, 910-007120

Specifications

Overview Summary:

The Logitech M240 Silent Bluetooth Mouse offers an ideal solution for a quiet and efficient computing experience. Whether you're working in a bustling office or at home, this mouse minimizes click noise by up to 90% with its SilentTouch technology, allowing you to focus without distractions. Its ergonomic, contoured design ensures comfort for both left- and right-handed users, making long hours at the computer more manageable. With Bluetooth connectivity, you can enjoy a cable-free workspace, and the 18-month battery life means less frequent replacements. If you're looking for a mouse that combines comfort, functionality, and sustainability, the Logitech M240 Silent is the perfect choice. Buy now to experience premium performance and eco-friendly design.

Performance tier: Premium

Uses: Office work, home computing, gaming, general productivity, quiet environments

Overview:

Logitech M240 Silent Bluetooth Mouse - Off White
The Logitech M240 Silent Bluetooth Mouse offers a seamless experience with its quiet operation, ergonomic design, and long-lasting performance. This versatile mouse connects easily via Bluetooth, ensuring a clean and cable-free workspace while providing excellent functionality for both work and leisure. With its 18-month battery life, comfortable shape, and advanced SilentTouch technology, the M240 Silent is built for productivity, comfort, and peace of mind.

Description:

The Logitech M240 Silent Bluetooth Mouse is engineered to provide a quiet, smooth, and efficient computing experience. Designed for both left- and right-handed users, it features a contoured shape that enhances comfort during extended use. The mouse offers effortless Bluetooth connectivity without the need for a dongle or additional ports, making it an ideal companion for laptops and other devices. Enjoy up to 18 months of battery life, minimizing the need for frequent replacements. Plus, its SilentTouch technology reduces clicking noise by 90%, allowing you to work or play without disturbing others around you. Built with durability and environmental sustainability in mind, the M240 Silent also uses recycled materials and is certified carbon neutral.

Features:

Reliable Bluetooth Connectivity
The Logitech M240 Silent connects instantly via Bluetooth with no dongle or USB port required. This quick, plug-and-play experience is compatible with a variety of operating systems, including Windows, macOS, ChromeOS, Linux, and Android, making it a flexible option for different devices and environments. Whether you're working from a laptop or tablet, the M240 Silent ensures a fast, stable connection that enhances your productivity.

Quiet, Comfortable Design
Designed for comfort and efficiency, the M240 Silent features a sculpted, ergonomic shape that fits naturally in your hand. The compact, wireless design makes it easy to slip the mouse into your laptop bag, so you can take it anywhere you work. SilentTouch technology reduces the sound of clicks by 90%, allowing you to work in quiet environments like libraries, cafes, or open office spaces without bothering those around you. While the sound is significantly quieter, the tactile feedback remains the same, giving you the familiar click feel.

Extended Battery Life
With an impressive 18 months of battery life, the M240 Silent minimizes the hassle of constant battery changes. Thanks to its auto-sleep mode, the mouse conserves energy, ensuring you can work longer without worrying about power. The mouse runs on a single AA battery, which comes pre-installed, so you can get started right away.

Precise Control and Easy Navigation
The M240 Silent is equipped with smooth optical tracking and a controlled line-by-line scrolling experience, providing accurate cursor movement on most surfaces. Whether you're browsing the web, working on documents, or navigating through presentations, you can enjoy precise control with every click. The three-button design makes it simple to switch between tasks, while the comfortable grip ensures that you stay productive for longer periods without hand fatigue.

Sustainable and Eco-Friendly
In addition to its performance, the Logitech M240 Silent is designed with sustainability in mind. The plastic components include certified post-consumer recycled materials, with 48% recycled plastic for the graphite model and 37% for the Off White version. Logitech's commitment to reducing its carbon footprint is further reflected in the product's carbon neutrality certification. By investing in carbon-offset projects, Logitech ensures that the carbon impact of both the product and its packaging is reduced to zero.

Proven Productivity Boost
Studies show that using an external mouse like the M240 Silent can significantly increase productivity compared to using a

laptop's built-in touchpad. In a recent study, participants using this mouse worked 50% faster and with greater accuracy than those relying on a touchpad. The ergonomic design and improved navigation help you work more efficiently and with less effort, leading to enhanced performance whether you're tackling a project or simply browsing the web.

Logitech Quality and Design Expertise
Backed by over 25 years of experience, Logitech is a trusted leader in computer peripherals. The M240 Silent is a result of their ongoing commitment to delivering high-quality products designed for comfort and performance. The mouse's shape is optimized for both left- and right-handed users, ensuring that you find the perfect fit for your hand, no matter your preference.

Key Highlights

- SilentTouch Technology:Reduces click noise by 90%, creating a quieter working environment
- Ergonomic Design:Sculpted, contoured shape fits naturally in your hand for all-day comfort
- 18-Month Battery Life:Extended battery life with auto sleep mode for less frequent changes
- Bluetooth Connectivity:No dongle required, works with Windows, macOS, ChromeOS, Linux, and Android
- Eco-Friendly Materials:Made with up to 48% post-consumer recycled plastic
- Certified Carbon Neutral:Logitech invests in carbon offset projects to neutralize the product's environmental impact

The Logitech M240 Silent Bluetooth Mouse combines quiet operation, ergonomic comfort, and eco-conscious design to provide a premium experience for users who value productivity, sustainability, and convenience.
