Logitech M196 Mouse - Off White - Bluetooth

Product Overview

Logitech M196 Mouse - Off White - Bluetooth, 1000 DPI smooth Optical Tracking, Line-by-Line Scrolling, 2D Mechanical Scroll Wheel, 12 months Battery Life, 1 AA Battery, 910-007460

Specifications

Overview Summary:

The Logitech M196 Bluetooth Mouse offers a seamless, eco-conscious solution for those seeking a reliable, wireless mouse. Designed with comfort and functionality in mind, this compact and ergonomic mouse is perfect for home, office, or on-the-go use. With Bluetooth connectivity, there's no need for a dongle, and pairing is quick and hassle-free. It features smooth 1000 DPI optical tracking, precise line-by-line scrolling, and an impressive 12 months of battery life with a single AA battery. Made from recycled plastic, it reflects Logitech's commitment to sustainability, all while delivering the durability and performance you need. Buy now and experience effortless navigation with the Logitech M196!

Performance tier: Premium

Uses:office work, travel, daily computing, browsing, document editing

Overview:

Logitech M196 Bluetooth Mouse - Off White

Reliable Bluetooth Connection and Long-lasting Performance
The Logitech M196 Bluetooth Mouse is designed to streamline your workspace with its wireless convenience, ergonomic comfort, and eco-friendly materials. Offering a seamless connection in seconds, this mouse ensures smooth, precise navigation with a 1000 DPI optical sensor. Enjoy up to 12 months of battery life with just one AA battery, allowing you to focus on what matters most without the hassle of frequent recharging. Built with recycled plastic, the M196 is both durable and environmentally responsible, making it a reliable choice for everyday computing.

Description:

The Logitech M196 Bluetooth Mouse is a versatile, eco-conscious solution for those who need a reliable, wireless mouse. Featuring an intuitive Bluetooth connection, it pairs quickly with your device, eliminating the need for a dongle or USB port. Its compact, ambidextrous design ensures comfort whether you use your left or right hand, and it's small enough to easily fit into a bag for on-the-go use. The mouse's 12-month battery life, combined with its smooth optical tracking and precise line-by-line scrolling, provides an enhanced navigation experience. Made from recycled plastic, it reflects Logitech's commitment to sustainability without compromising on performance.

Features:

Key Benefits of the Logitech M196 Bluetooth Mouse

- Quick Bluetooth SetupWith the M196, pairing is a breeze. It connects instantly with any Bluetooth-enabled device-no need for extra dongles or adapters.
- Ergonomic and Portable DesignThe compact, contoured shape makes it easy to carry and comfortable to use, whether you're working from home, at the office, or on the go. The ambidextrous design ensures it fits naturally in either hand.
- Eco-Friendly and Durable ConstructionMade from certified post-consumer recycled plastic, the M196 reduces environmental impact while maintaining high durability. It is crafted to withstand daily use, making it an eco-conscious choice without sacrificing performance.
- Long-lasting Battery LifeSay goodbye to constant battery replacements. The M196 lasts up to 12 months on a single AA battery, with automatic sleep mode to extend battery life.
- Smooth, Precise TrackingEquipped with a 1000 DPI optical sensor, the M196 offers smooth and accurate cursor control, whether you're working on a desk or your lap. The line-by-line scrolling allows for precise navigation through documents and web pages.

- Sustainability at its CoreWith 67% recycled plastic for the graphite version and 66% for off-white and rose, the M196 helps reduce waste by repurposing materials from old electronics, making it an environmentally friendly option for conscious consumers.

Additional Details

- Connection Type: Bluetooth
- Battery Life: Up to 12 months
- Sensor: Optical, 1000 DPI
- Battery Required: 1 AA battery (included)
- Material: Recycled plastic (67% for Graphite, 66% for Off-white and Rose)
