About this product

The Logitech Pebble Mouse 2 M350s Tonal White (910-007013) is a slim, lightweight Bluetooth wireless mouse designed for comfortable everyday computing, productivity and portability. Featuring Silent Touch technology for quieter clicks, a customisable middle button and Easy-Switch connectivity for up to 3 devices, it offers convenient control across compatible laptops, desktops and tablets. Its compact design and elegant two-tone white finish make it ideal for home, office, study and mobile work. Buy the Logitech Pebble Mouse 2 M350s online today for convenient wireless computing in South Africa.

Overview Summary

Logitech Pebble Mouse 2 M350s Tonal White Bluetooth Wireless Mouse

The Logitech Pebble Mouse 2 M350s is a compact wireless mouse built for users who value portability, quiet operation and simple connectivity. Its slim, rounded design fits easily into a laptop bag, making it suitable for working at the office, studying, travelling or using a computer at home. The Tonal White finish adds a clean, minimalist look to your workspace.

Silent Touch technology reduces click noise by over 90% compared with the Logitech M185, helping minimise distractions in shared offices, libraries and quiet environments. Bluetooth Low Energy connectivity supports pairing with up to 3 compatible devices, while the Easy-Switch button allows you to move between them. The customisable middle button can be configured using Logi Options+ on supported Windows and macOS systems.

Performance tier: Everyday productivity and portable wireless computing

Uses: Office work, home computing, studying, laptop navigation, web browsing, tablet control, travel, multi-device productivity

Overview

Pebble Mouse 2 is slim, modern, and portable. Switch between devices easily, enjoy quiet clicks, and customize the middle button. With long battery life and stylish colors, it fits any setup.

Description

The Logitech Pebble Mouse 2 M350s is designed to make everyday computer use simple, quiet and portable. Its slim profile and smooth, rounded shape provide a modern alternative to bulky desktop mice, while its lightweight construction makes it easy to carry between home, the office, campus and other work locations. The Tonal White colour complements minimalist desk setups and modern computing accessories.

Bluetooth Low Energy wireless connectivity enables a cable-free connection to compatible computers, tablets and other supported devices. With Easy-Switch functionality, the mouse can pair with up to 3 devices, allowing you to switch between them using the dedicated connectivity button. This is useful for people who work across a laptop, desktop computer and compatible tablet.

Silent Touch technology reduces the noise produced by clicking, making the M350s suitable for quiet offices, shared workspaces, libraries and home environments. The mouse includes left and right click controls, a scroll wheel with middle click and a customisable middle button. Using Logi Options+ on supported Windows and macOS devices, you can configure supported button functions to suit your workflow.

The mouse uses high-precision optical tracking with a selectable resolution range of 400 to 4000 DPI, supporting cursor control for general productivity and navigation. It is powered by one AA alkaline battery, which is supplied pre-installed. Compatible operating systems include Windows 10 and later, macOS 11 and later, iPadOS 14 and later, Android 9.0 and later, ChromeOS and Linux, subject to device Bluetooth support.

Choose the Logitech Pebble Mouse 2 M350s Tonal White for portable, quiet and convenient wireless control at home, work or on the move.

Features

- Compact, lightweight design: The slim, rounded shape is easy to carry in a laptop bag and suits mobile workstations and smaller desks.
- Tonal White finish: A clean, minimalist colour that complements a range of computer and desk setups.
- Silent Touch technology: Reduces click noise by over 90% compared with the Logitech M185 for a quieter working environment.
- Bluetooth Low Energy connectivity: Connect wirelessly to compatible computers and tablets without requiring a USB receiver.
- Easy-Switch multi-device support: Pair with up to 3 compatible devices and switch between them using the connectivity button.
- Customisable middle button: Configure supported functions through Logi Options+ on compatible Windows and macOS computers.
- High-precision optical tracking: Provides a 400 to 4000 DPI resolution range for responsive everyday cursor control.
- Three primary control functions: Left click, right click and a scroll wheel with middle click support common navigation and productivity tasks.
- AA battery power: Operates using one AA alkaline battery, supplied pre-installed.
- Recycled plastic construction: The Pebble Mouse 2 M350s uses a minimum of 58% recycled plastic in its plastic components, excluding the printed wiring assembly and packaging.
- Cross-platform compatibility: Supports a range of Bluetooth-enabled operating systems, including Windows, macOS, iPadOS, Android, ChromeOS and Linux.

How you express yourself is up to you

Defy mundane. Defy bland. DEFY BORING. Add a touch of your colorful self to your every day with the Pebble Mouse 2. A mouse with more color and even smarter tech.

Designed to be different

Let the world see who you are with the Pebble Mouse 2 M350s. A minimalist, slim, and round mouse designed to stand out.

Recycled plastic doesn't have to be dull

We don't just stop at a unique design, we make sure that our products are responsibly made too. The Pebble Mouse 2 comes in a range of colors made with more than 50% recycled plastic so you can choose a color that fits your vibe.

Ready to go when you are

Compact, and ready to make big moves. Its lightweight and portable design means you can slip the mouse into your bag, whenever, wherever.

Device-hopping made easy

Switch between 3 of your devices with a press of the Easy-Switch button. Compatible with Windows, macOS, iPadOS, and Android.

Shhh - quieter clicking

Hear that No Perfect. Keep it on the low with Silent Touch Technology, which removes 90% of click noise, so you can keep clicking away with no distractions.

Your apps at your fingertips

Personalize the middle button of your mouse with the Logi Options+ App to do more like sending emojis on Whatsapp, or shuffling your Spotify playlist.

You've got options

Your mouse does more than just click. With the Logi Options+ App, you'll be able to customize the middle button of your mouse to do everyday actions like copy/paste, screen capture, and open app, so you can do things your way. Available on Windows and macOS

ComX Computers

FAQ

Is the Logitech Pebble Mouse 2 M350s wireless?

Yes. The M350s connects to compatible devices using Bluetooth Low Energy, allowing you to use the mouse without a wired connection or USB receiver.

Can the Logitech M350s connect to multiple devices?

Yes. It can pair with up to 3 compatible devices. Use the Easy-Switch connectivity button to switch between paired devices.

Does the Logitech Pebble Mouse 2 M350s include a USB receiver?

No. A Logi Bolt USB receiver is not included and must be purchased separately if you want to use the compatible receiver connection. Bluetooth Low Energy is the standard wireless connection option.

Is the Logitech M350s compatible with Windows and Mac?

Yes. It supports Windows 10 and later and macOS 11 and later, provided the computer supports Bluetooth Low Energy. Logi Options+ is available on supported Windows and macOS systems for customising supported button functions.

Can I use the Logitech Pebble Mouse 2 M350s with an iPad or Android tablet?

Yes. It supports compatible Bluetooth-enabled devices running iPadOS 14 or later and Android 9.0 or later. Check that your device supports Bluetooth Low Energy before connecting.

Does the Logitech Pebble Mouse 2 M350s have silent clicks?

Yes. Silent Touch technology reduces click noise by over 90% compared with the Logitech M185, making the mouse suitable for quiet workspaces and shared environments.

Can I customise the middle button on the Logitech M350s?

Yes. The middle button can be customised using Logi Options+ on supported Windows and macOS systems. Available functions depend on the software and operating system.

What battery does the Logitech Pebble Mouse 2 M350s use?

The mouse uses one AA alkaline battery, which is included and pre-installed in the package.

What is the DPI range of the Logitech Pebble Mouse 2 M350s?

The mouse supports a resolution range of 400 to 4000 DPI, allowing cursor tracking to be adjusted for different everyday computing preferences.

Is the Logitech Pebble Mouse 2 M350s suitable for travel?

Yes. Its compact dimensions and lightweight design make it convenient to carry with a laptop for work, study and travel.

Does the Logitech M350s work with a Chromebook?

Yes. It supports ChromeOS and Works With Chromebook devices that provide compatible Bluetooth Low Energy connectivity.
