### Overview:

**Port Connect Pure Mac Rechargeable Wireless and Bluetooth Mouse Storm**
Seamlessly navigate your workspace with a rechargeable mouse that combines reliable Bluetooth connectivity with a precise optical sensor for effortless productivity.

### Description:

The Port Connect Pure Mac Rechargeable Wireless and Bluetooth Mouse is designed for smooth, accurate control across multiple devices. It offers dual wireless and Bluetooth connectivity, adjustable DPI up to 3200 for precision tasks, silent clicks for focused work, and a long lasting 500mAh rechargeable battery. With an ergonomic, lightweight build and minimalist pastel blue finish, it delivers comfort, flexibility, and a clean desk setup for everyday productivity.

### Features:

**Quick Performance Highlights**

- Dual wireless and Bluetooth connectivity for flexible device pairing
- Adjustable optical sensor with DPI settings up to 3200 for accurate cursor control
- 500mAh rechargeable lithium battery for extended daily use
- Four button layout with responsive scroll wheel for easy navigation
- Lightweight ergonomic shape for comfort during long work sessions

**Built for Modern Workspaces**
Designed for users who value both performance and aesthetics, the Port Connect Pure Mac mouse fits effortlessly into professional, academic, and creative environments. Its pastel blue finish complements minimalist desks and Apple inspired setups, while its compact form makes it ideal as a wireless mouse for laptop use. Every click and scroll feels intentional, helping you stay efficient whether working at home, in the office, or on the move.

**Flexible Connectivity and Accurate Control**
Switch easily between wireless and Bluetooth modes to connect with laptops, tablets, or compatible devices within a 10 meter range. The adjustable optical sensor lets you tailor cursor speed for detailed design tasks or fast navigation across large documents. Silent clicks reduce distractions, while the scroll wheel and four button layout ensure smooth, intuitive control throughout the day.

**Comfort That Lasts All Day**

Powered by a 500mAh rechargeable lithium battery, this mouse supports extended use without frequent charging. Its ABS and PCBA construction ensures durability, while the balanced 85g weight and ergonomic dimensions provide a comfortable grip that helps reduce hand fatigue. The result is a dependable input device suited to long work sessions and daily commuting.

**A Cleaner and Smarter Desk Setup**
Say goodbye to disposable batteries and tangled cables. The Pure Mac mouse recharges easily via USB Type C and includes power saving standby mode with an on and off switch to optimize energy use. Its ambidextrous design makes it suitable for both left and right handed users, offering versatility without compromising comfort or style.
