Logitech G920 Driving Force Racing Wheel - USB

Product Overview

Logitech G920 Driving Force Racing Wheel - USB, 900 degrees lock-to-lock rotation wheel, Hall-effect steering Sensor, Dual-Motor Force feedback, Overheat safeguard, Nonlinear brake pedal, Patented carpet grip system, Textured heel grip, Self-calibrating

Specifications

Overview Summary:

The Logitech G920 Driving Force Racing Wheel brings professional-grade racing simulation to your home. Designed for Xbox Series X|S, Xbox One, and PC, it features 900-degree wheel rotation, dual-motor force feedback, and a pressure-sensitive brake pedal to deliver precise and realistic control. Its hand-stitched leather wheel and stainless steel paddle shifters ensure both comfort and durability for long gaming sessions. Shop now to experience lifelike racing action and take your gameplay to the next level.

Customize your racing setup with adjustable pedals and advanced brake technology for a true-to-life feel. Whether navigating tight corners or executing smooth gear shifts, the G920 provides a complete and immersive racing experience. Buy now and enhance your simulator rig today.

Performance tier:High-end

Uses:Gaming, Racing simulation, Xbox racing games, PC racing games, Driving practice

Overview:

Logitech G920 Driving Force Racing Wheel - Immersive Racing Experience for Xbox and PC

Engineered for the ultimate driving simulation, the Logitech G920 Driving Force Racing Wheel delivers precision, realism, and durability. Its dual-motor force feedback, hand-stitched leather wheel, and stainless steel paddle shifters bring every turn, drift, and terrain change to life. Adjustable pedals and advanced brake technology allow a true-to-life driving feel, whether you are accelerating, braking, or shifting gears.

Description:

The Logitech G920 is designed for serious racing enthusiasts seeking a realistic driving setup. It features 900-degree wheel rotation, dual-motor force feedback, a pressure-sensitive brake pedal, and a sturdy base with a patented carpet grip system. Compatible with Xbox Series X|S, Xbox One, and PC, this racing wheel provides immersive gameplay with precise control, customizable pedal positions, and durable construction for long-lasting use.

Features:

Full Control at Your Fingertips

Take your racing to the next level with a wheel designed for total control. The G920 allows you to experience every twist and turn as if you were behind the wheel of a real car. With stainless steel paddle shifters and hand-stitched leather, every motion feels responsive and luxurious.

- G29 is compatible with PS5, PS4, PS3, and PC
- G920 works with Xbox Series X|S, Xbox One, and PC

Immersive Driving Experience

Feel every nuance of the track with dual-motor force feedback. From subtle tire slips to intense oversteer, the G920 provides tactile feedback that mirrors real-world conditions. Solid steel ball bearings enhance durability and responsiveness, while helical gearing ensures smooth, quiet steering.

Precision Engineering for Motorsport

Built to withstand intense racing, the Logitech G920 combines comfort with resilience:

- Hand-stitched leather wheel for premium grip
- Stainless steel paddle shifters and pedals for precision

- Long-lasting hall-effect steering sensor for accurate position tracking

Advanced Steering and Controls

Enjoy intuitive wheel-mounted controls and precise adjustments:

- 900-degree lock-to-lock rotation mirrors real car steering
- Visual steering stripe helps maintain your orientation
- LED indicators guide upshifts and downshifts
- 24-point selection dial and front +/- buttons allow personalized control

Customizable Pedal System

The separate floor pedal unit brings realism to your driving posture.

- Adjustable pedal positions for comfort and precision
- Nonlinear brake pedal simulates pressure-sensitive braking
- Rubber feet and retractable carpet grip keep pedals stable

Upgrade Your Racing Setup

Combine the G920 with other Logitech G racing gear for a fully immersive sim rig. For added realism, include the dedicated 6-speed "H" pattern shifter with push-down reverse. Fine-tune your brake force with the Racing Adapter to match your driving style.

Experience Realistic Racing Today

Whether you're a casual gamer or a dedicated sim racer, the Logitech G920 Driving Force Racing Wheel offers unmatched precision, comfort, and control. Feel every turn, manage every corner, and bring the thrill of racing into your home.
