Logitech C930e 1080p Business Webcam

Product Overview

Logitech C930e 1080p Business Webcam

Specifications

Features:

First 1080p HD webcam to support H.264 with Scalable Video Coding and UVC 1.5 encoding technology
Frees up PC bandwidth by putting video processing within the camera, adjusting dynamically to the available bitstream. The result is a smoother video stream in applications like Microsoft® Lync™ 2013.

HD 1080p video quality at 30 frames-per-second
Brings life-like HD video to conference calls, enabling expressions, non-verbal cues and movements to be seen clearly.

4x digital zoom in Full HD
4x zoom at 1080p provides the highest level of detail for your calls, visuals and presentations.

Certified for Microsoft® Lync™ 2013 and Skype™, compatible with most UC and web conferencing applications
True plug and play in your favorite video apps on either PC or Mac; Supports H.264 SVC 1080p for Lync 2013.

Convenient privacy shutter
Easy lens enclosure for added privacy and security.

Multiple mounting options
Freedom to mount the camera wherever it works best - LCD screen, notebook, or tabletop - by using the attached clip or the tripod embedded thread.

Widest-ever business webcam field-of-view
Enjoy an extended view - 90 degrees - perfect for presenting using a whiteboard or doing demos.

Logitech RightLight™ 2 technology and autofocus
Webcam intelligently adjusts to improve visual quality in low light at multiple distances.

Pan, tilt and zoom option

Pan, tilt and zoom within the 90-degree field-of-view scene for focused viewing during desktop video conferences.

Carl Zeiss® glass lens
Enjoy razor-sharp images even when showing documents up-close, a whiteboard drawing or a product demo.

Plug-and-play USB connectivity
Easily connects to PCs or Macs with no additional software required.

System Requirements:

- Windows 7 or 8 (Note: Win 7 today would be HD through MJPG. Driver for H.264 is TBD)
- Mac OS X 10.7 or higher
- 2.4 GHz Intel® Core 2 Duo processor
- 2 GB RAM or more
- Hard drive space for recorded videos
