Its lightweight and foldable design makes it easy to carry, perfect for travel or daily use. Buy now and enjoy immersive sound with effective noise reduction.

**Performance tier:**Mid-range

**Uses:**Travel, commuting, office work, casual listening, voice calls

Overview:

SonicGear Airphone DNC 3000: Advanced Digital Active Noise Cancellation Headphones

Experience Crystal-Clear Sound with Digital Active Noise Cancellation

The SonicGear Airphone DNC 3000 features cutting-edge digital active noise cancellation technology that significantly reduces background noise. Whether you are surrounded by city traffic, airplane engines, or a busy office environment, these headphones deliver a quieter listening experience by filtering out unwanted sounds in real time.

Features:

Ideal Travel Companion for Every Journey

Designed with travelers in mind, these headphones offer exceptional noise isolation and comfort. Whether you're flying across the globe or commuting on public transport, the Airphone DNC 3000 helps you stay focused and relaxed with its immersive sound quality and effective noise cancellation.

Lightweight and Portable Collapsible Design

The headphones are built for convenience. Their collapsible, foldable design allows you to easily store and carry them in your bag or backpack. The lightweight structure ensures minimal fatigue, making them perfect for long trips or daily use.

Bluetooth 5.4 for Fast, Stable Connectivity

Equipped with Bluetooth 5.4 technology, the Airphone DNC 3000 offers quicker pairing, a reliable wireless connection, and energy-efficient performance. These headphones seamlessly connect with Android, iOS, and Windows devices, ensuring broad compatibility and hassle-free use.

Comfortable Fit with Adjustable Earcups

The sleek design includes multiple flexible joints and free-moving earcups that adapt to the shape of your head. This ergonomic build minimizes pressure and discomfort, allowing you to enjoy hours of uninterrupted listening without strain.

Key Specifications of SonicGear Airphone DNC 3000

- Driver Size:40mm
- Power Output:20mW x 2
- Wireless Range:Up to 15 meters
- Battery Capacity:200mAh (Built-in)
- Playback Time:Up to 16 hours with noise cancellation active
- Standby Time:Approximately 100 hours
- Charging Time:Around 2 hours
- Microphone:Omnidirectional for clear voice calls

With the SonicGear Airphone DNC 3000, you get high-quality sound, efficient noise cancellation, and the convenience of wireless connectivity. These headphones combine style, comfort, and advanced features to enhance your everyday listening experience. Whether for work, travel, or relaxation, they deliver excellent value and performance.
