Specifications

Overview:

The Targus Cord-Storing Optical Mouse features a patented cord storing design that retracts the 61cm long USB cord completely inside of the mouse for easy and tangle-free travel. The cord can also be adjusted to any length and the ergonomic, ambidextrous mouse design helps prevent palm strain. Utilising the latest 1,000 DPI optical technology for precise tracking, the Cord-Storing Optical Mouse helps keep the workspace neat without the clutter of excess cables.

Features:

- Dual-purpose design - Large enough for comfortable desk use, yet small enough for the mobile user
- Ergonomic - Ergonomic shape provides support to help prevent palm strain; designed for left and right hand users
- Retractable cord - Retractable USB cable provides cable management for easy travel
- Optical sensor technology - 1,000 DPI optical sensor provides improved accuracy and precise mouse movements
- Compatibility - PC, Mac and Netbook compatible
