AS256GX

Astrum S512GX 256GB 2.5" SATA3 Solid State Drive

Product Overview

Astrum S512GX 256GB 2.5" SATA3 Solid State Drive, 544MB/s Read Speed, 490MB/s Write Speed

Specifications

Overview:

S256GX 256GB 2.5" SATA3 SSD DRIVE 544/49
S256GX 256GB 2.5" SATA3 SSD Drive: High-Speed 544MB/s Read and 490MB/s Write Performance with Compact Storage
SKU: AS256GX

Enhance your system's performance with the S256GX 256GB 2.5" SATA3 SSD Drive. Designed to deliver high-speed data access and reliable storage, this SSD features read speeds up to 544MB/s and write speeds up to 490MB/s, making it an excellent choice for both boosting system responsiveness and managing essential data.

Upgrade to the S256GX 256GB 2.5" SATA3 SSD Drive for a boost in system speed and reliability, combining high-speed performance with compact and reliable storage.

Features:

- Fast Performance: Benefit from quick data access with read speeds up to 544MB/s and write speeds up to 490MB/s. This enables faster boot times, reduced application load times, and efficient file transfers.
- 256GB Storage Capacity: Provides ample space for your operating system, applications, and essential files. Ideal for users who need a balance between performance and storage without requiring extensive capacity.
- Reliable and Durable: Built with advanced technology for dependable performance and long-lasting durability. The SSD's robust design helps protect against data loss and ensures consistent operation.
- Easy Installation: Features a 2.5" SATA3 interface, making it compatible with a wide range of desktops and laptops. The installation process is straightforward, allowing for a hassle-free upgrade or new setup.
- Power Efficient: Consumes less power compared to traditional hard drives, contributing to longer battery life in laptops and reducing overall energy consumption in desktops.
- Quiet Operation: Operates silently due to the absence of moving parts, providing a quiet computing environment by eliminating the noise associated with mechanical hard drives.
