About this product

Buy the Asus AX4600 VIVO 3-in-1 Backpack designed for modern everyday mobility, featuring a versatile 3-in-1 design that converts between backpack, tote bag, and handbag for maximum convenience. Built to fit laptops up to 16 inches and finished with a durable water repellent PU coated exterior, this multifunctional backpack is ideal for work, travel, and daily commuting in South Africa. Shop now for a flexible carry solution that adapts to your lifestyle.

Overview Summary

Asus AX4600 VIVO 3-in-1 Backpack is a multifunctional carry solution designed for users who need flexibility, durability, and modern style in one product. Its convertible design allows seamless switching between backpack, tote bag, and handbag modes, making it suitable for business, travel, and everyday use.

Engineered to support laptops up to 16 inches, this backpack provides practical storage while maintaining a clean, professional look. The water repellent PU coated exterior helps protect contents from light rain and spills, making it a reliable choice for daily commuting and on-the-go professionals.

With its adaptable structure and practical design, the Asus AX4600 VIVO enhances portability without compromising comfort or usability. It is ideal for users who require a versatile bag that transitions easily between different environments.

Performance tier: Entry level premium travel and business carry

Uses: work commute, business travel, university, daily carry, laptop transport

Overview

ASUS Vivobook 3-in-1 Bag is a versatile solution that is suited for daily commute as well as leisure time. The bag offers interchangeable components that are compatible between different series, which is sustainable in a way that extends its lifespan and reduces waste in production.

Description

The Asus AX4600 VIVO 3-in-1 Backpack is designed for users who need adaptable carrying options in a single compact solution. Its convertible structure allows it to function as a traditional backpack, a stylish tote bag, or a convenient handbag depending on the situation. This makes it suitable for professional environments, travel scenarios, and everyday urban use. Built to accommodate laptops up to 16 inches, the backpack offers practical internal space for essential devices and accessories. The water repellent PU coated exterior enhances durability by helping protect contents from light moisture exposure, making it a dependable companion for commuting and mobility focused lifestyles.

Features

The Asus AX4600 VIVO combines functionality and versatility in a single design.

- 3-in-1 convertible design - use as backpack, tote bag, or handbag
- Fits laptops up to 16 inch size
- Water repellent PU coated exterior for added protection
- Designed for commuting, travel, and daily use
- Multi mode carry system for flexible usage scenarios
- Lightweight and practical structure for everyday portability

Multiple mode

The ASUS Vivobook 3-in-1 Bag aims to provide features for creating more flexible usage scenarios. It can be used as a tote bag, handbag or backpack, depending on the needs of the user.

Water-repellent and stylish

The shape is more personalized than the general cover which fits a 16-inch laptop. The entire body is made of water-repellent PU-coated fabric and synth canvas fabric.

Vivo spirit with nylon and artificial leather

The ASUS Vivobook 3-in-1 Bag is made of nylon and artificial leather, providing a hierarchy of glossy and matte texture with a smooth surface that's waterproof and stainproof. A decoration with reflective Vivo spirit artwork adds a touch of personality.

What's in the Box

- 1 x Asus AX4600 VIVO 3-in-1 Backpack

FAQ

Is the Asus AX4600 VIVO suitable for laptops?

Yes, this backpack supports laptops up to 16 inches, making it suitable for most modern business and personal laptops.

Can this bag be used in different carry styles?

Yes, it features a 3-in-1 design that allows it to be used as a backpack, tote bag, or handbag depending on your preference.

Is the backpack waterproof?

The bag has a water repellent PU coated exterior that helps protect contents from light rain and splashes, but it is not fully waterproof.

Is it suitable for travel?

Yes, the versatile design and laptop compatibility make it ideal for business travel, commuting, and everyday use.
