Performance tier:Mid-range

Uses:Office productivity, casual gaming, home computing, multimedia entertainment, content viewing, remote work, studying, dual-monitor setups

Overview:

ASUS VU279CFE 27 Inch Full HD IPS Gaming Monitor

The ASUS VU279CFE Eye Care Gaming Monitor is designed for users who need a versatile display for work, entertainment, and casual gaming. Its 27-inch Full HD IPS panel delivers vibrant visuals, wide 178 degree viewing angles, and a smooth 100Hz refresh rate for fluid scrolling, video playback, and responsive gameplay. Adaptive-Sync technology helps minimize screen tearing, while the USB Type-C connection with DisplayPort Alt Mode and 15W Power Delivery adds convenient connectivity for modern laptops and compatible devices.

Built with comfort in mind, the monitor includes ASUS Eye Care Plus technology, a TÜV Rheinland-certified Blue Light Filter, Flicker Free technology, and an ambient light sensor that automatically adjusts brightness to suit your environment. Combined with a clean design, cable management, and height adjustment, it is an excellent choice for home offices, study spaces, and gaming setups.

Description:

The ASUS VU279CFE-G combines everyday productivity, multimedia enjoyment, and casual gaming into one stylish 27-inch monitor. Its IPS display delivers rich colour with 99% sRGB coverage, while the 100Hz refresh rate and 1ms MPRT response time provide smoother motion across games and fast-moving content. USB Type-C connectivity simplifies your workspace by carrying video and charging compatible devices with up to 15W Power Delivery. With adjustable ergonomics, eye protection

technologies, and environmentally conscious design, this monitor offers long-lasting comfort and reliable performance for a wide range of users.

Features:

Designed for Everyday Performance

Whether you are working through documents, streaming movies, editing photos, or enjoying casual games, the ASUS VU279CFE delivers a balanced viewing experience. The Full HD resolution provides sharp detail, while the IPS panel maintains consistent colours from virtually any angle.

Its slim design fits neatly into modern workspaces, and integrated cable management helps create a cleaner desktop.

Smooth Visual Experience

A faster refresh rate makes everyday computing feel more responsive while also improving gaming performance.

Key display highlights include:

- 27-inch IPS display with Full HD 1920 x 1080 resolution
- Up to 100Hz refresh rate for smoother motion
- 1ms MPRT response time
- Adaptive-Sync and VRR technology for reduced screen tearing
- 99% sRGB colour coverage
- 16.7 million display colours
- 250 nits typical brightness
- 1300:1 typical contrast ratio
- 178 degree horizontal and vertical viewing angles

Modern Connectivity

The ASUS VU279CFE makes connecting today's devices quick and convenient.

Available connections include:

- 1 x USB Type-C with DisplayPort Alt Mode
- USB Type-C with 15W Power Delivery
- 1 x HDMI 1.4
- 1 x Earphone jack

The USB-C connection is especially useful for compatible laptops, reducing cable clutter while providing video output and device charging through a single cable.

Comfortable Viewing Throughout the Day

ASUS integrates several technologies to help reduce eye strain during extended use. These tools make the monitor suitable for professionals, students, and anyone spending long hours in front of the screen.

Included eye care technologies:

- ASUS Eye Care Plus
- TÜV Rheinland-certified Blue Light Filter
- ASUS Flicker Free technology
- Ambient Light Sensor with automatic brightness adjustment
- Rest Reminder
- Colour Augmentation mode

Easy Adjustment and Workspace Convenience

ComX Computers

Product Specification Sheet

Designed for practical everyday use, the monitor includes ergonomic adjustments and software controls that simplify setup and operation.

Highlights include:

- Height adjustment
- Tilt adjustment
- DisplayWidget Center software for monitor settings
- Built-in cable management clip
- 75 x 75mm VESA wall mount compatibility
- Kensington security lock

Environmentally Conscious Design

The ASUS VU279CFE has been developed with sustainability in mind through energy-efficient operation and environmentally friendly materials. Packaging uses recycled cardboard and can be repurposed for organising desktop accessories, helping reduce waste while providing additional everyday value.
