Description

The Astrum ATWDA10B DUOZ ANC10 Black True Wireless Earbuds are engineered to provide an exceptional audio experience. Featuring Hybrid ANC and ENC technologies, these earbuds effectively minimize background noise, allowing you to enjoy your music or calls without distractions. The 4-microphone system ensures clear voice pickup, making them ideal for both casual listening and professional use. With Bluetooth 5.4, you can expect fast pairing and stable connectivity. The earbuds offer up to 6 hours of playtime on a single charge, with an additional 34 hours provided by the compact charging case. Designed with an ergonomic fit, they are comfortable for extended wear, whether you're commuting, traveling, or working out. The IPX5 water resistance rating ensures durability against sweat and light rain, making them suitable for various activities. The USB-C fast charging feature allows for quick and convenient recharging, so you're always ready to go.
