

AWXFH - T69516IO

Inkanto Thermal Transfer Ribbon - 104mm x 360m Premium wax Ink - 10 rolls per box

Product Overview

Inkanto T69516io Thermal Transfer Ribbon - 104mm x 360m Premium Wax Ink - 10 rolls per box, AWX FH Resin enhanced Wax, 104mm Ribbon width, 360m length, 25mm Core, Inside (CSI) Coated side

Specifications

Overview Summary:

The Inkanto T69516IO Thermal Transfer Ribbon is a high-quality wax ribbon designed for reliable, professional label printing. With a width of 104mm and a length of 360m, it ensures consistent, sharp prints on paper labels, ideal for retail, logistics, and healthcare applications. Compatible with major thermal printers like Zebra, Honeywell, and TSC, this ribbon helps you streamline your labeling tasks with precision and durability. Shop now and enhance your label printing efficiency today.

Performance tier:Premium

Uses:Retail labels, shipping labels, warehouse labeling, healthcare labeling, barcode printing

Overview:

Inkanto T69516IO Thermal Transfer Ribbon - High-Quality Wax Printing for Reliable Labels

Maximize the clarity and durability of your labels with the Inkanto T69516IO Thermal Transfer Ribbon. Designed for professional-grade printing, this ribbon ensures crisp text, scannable barcodes, and consistent results across high-volume labeling tasks.

Description:

The Inkanto T69516IO Thermal Transfer Ribbon is a premium wax ribbon measuring 104mm x 360m with a 1-inch core. Its AWX FH resin-enhanced wax formula delivers sharp, durable prints on paper labels, while Clean Start technology automatically maintains the printhead for longer life and consistent performance. Compatible with leading thermal printers including Zebra, Honeywell, and TSC, this ribbon is ideal for retail, logistics, and healthcare applications, making labeling tasks faster, more reliable, and professional-looking.

Features:

Reliable Wax Printing for Professional Labels

Designed for high-quality printing on paper substrates, the Inkanto T69516IO provides clear, legible results that stand up to everyday handling. Its resin-enhanced wax composition ensures barcodes scan accurately and text remains readable, making it perfect for industries where precision matters.

Efficient Maintenance with Clean Start Technology

Clean Start technology keeps your printer running smoothly by automatically cleaning the printhead during ribbon installation. This reduces downtime, maintains print quality, and extends the lifespan of your thermal printer.

Optimized Size for Large-Scale Printing

- Ribbon width: 104mm
- Ribbon length: 360m
- Core size: 1 inch

This size combination is perfect for high-volume label printing without frequent ribbon changes, improving workflow efficiency.

Compatibility with Leading Thermal Printers

The Inkanto T69516IO works seamlessly with major printer brands including Zebra, Honeywell, and TSC, ensuring consistent performance across different devices.

Ideal for Multiple Labeling Applications

- Retail: Shelf tags, product labels
- Logistics: Shipping and warehouse labels
- Healthcare: Medical labeling and specimen tracking
