Specifications

About this product

Buy the HP Series 3 Pro 27 FHD IPS Monitor for a crisp 27 inch Full HD viewing experience designed for productivity, office work, and everyday computing. Featuring IPS panel technology, 100Hz refresh rate support, and HP Eye Ease low blue light filtering, this monitor delivers smooth visuals and comfortable viewing for long working hours. Shop now and upgrade your workspace with reliable performance and clear wide-angle visuals.

Overview Summary

HP Series 3 Pro 27 FHD IPS Monitor is a 27 inch business and home office display designed to improve productivity with a clean, modern design and smooth performance. It features Full HD 1920 x 1080 resolution combined with IPS technology, ensuring consistent color and clarity from wide viewing angles.

The monitor supports up to 100Hz refresh rate, delivering smoother scrolling and reduced motion blur for everyday tasks such as document editing, browsing, and multimedia consumption. With a 1000:1 contrast ratio and 250 nits brightness, it provides clear and balanced image quality suitable for indoor environments.

Designed for comfort and efficiency, it includes HP Eye Ease low blue light technology and a flicker free display to reduce eye strain during long working sessions. Its slim bezel design makes it ideal for multi monitor setups in professional or home office environments.

Performance tier:Mid-range productivity monitor

Uses:office work, home productivity, web browsing, video streaming, study, dual monitor setups

Overview

Expand your view and boost productivity with an additional 27 inches of workspace from this FHD monitor. Work in comfort with a crisp, smooth screen and simple design, so you can get more done every day.

Description

The HP Series 3 Pro 27 FHD IPS Monitor is built for users who need a reliable and spacious display for daily productivity tasks. Its 27 inch screen provides ample workspace for multitasking, spreadsheets, document editing, and online meetings. The IPS panel ensures accurate colors and wide viewing angles, making it suitable for shared viewing and collaborative work environments.

With Full HD resolution, the monitor delivers sharp and readable text along with clear visuals for videos and presentations. The inclusion of a 100Hz refresh rate enhances motion smoothness compared to standard 60Hz monitors, making everyday navigation feel more fluid and responsive.

Comfort features such as HP Eye Ease and flicker free technology help reduce eye fatigue during extended usage. Its minimalist design with thin bezels allows for seamless multi monitor setups, making it a strong choice for professional desks and home offices alike.

Features

The HP Series 3 Pro 27 monitor is designed to balance performance, comfort, and simplicity for everyday users.

- 27 inch Full HD IPS display for clear visuals and wide viewing angles
- 1920 x 1080 resolution for sharp and readable content
- Up to 100Hz refresh rate for smoother scrolling and motion
- HP Eye Ease low blue light mode for reduced eye strain

ComX Computers

Product Specification Sheet

- Flicker free technology for improved viewing comfort
- 1000:1 contrast ratio for balanced image depth
- 250 nits brightness suitable for indoor office environments
- HDMI and DisplayPort connectivity for flexible device support
- 3 sided micro edge bezel design for multi monitor setups

Elevate the Everyday

Make your everyday experience more productive and enjoyable with an expanded workspace for projects and assignments. This sleek 27" FHD monitor boasts a quality IPS screen that's visible from any angle and up to 100 Hz refresh rate for sharp images and fluid motion.

Increased Comfort. Improved Focus.

Keep your eyes comfortable with a flicker-free screen so you can get more done in your day. Plus, avoid the yellow color shift and keep the comfort with HP Eye Ease, an always-on hardware low-blue light filter that doesn't impact color accuracy.

Clean Design. Clear Mind.

Streamline your desk with a monitor that helps you stay focused. Cut the clutter with neat cable management, a slim, tilt-adjustable stand, and a 3-sided micro-edge bezel to cleanly pair dual monitors. Easily customize your settings with the intuitive joypad OSD button.

Built for a better tomorrow

This thoughtfully designed monitor contains at least 85% recycled plastic content in the enclosure, 5% recycled metal, and 20% recycled glass in the panel. Plus, it meets high energy-saving standards with ENERGY STAR(RegTM) certification and EPEAT(RegTM) registration

IPS Technology

No matter where you stand, IPS technology ensures image accuracy and consistency across wide 178degrees horizontal and vertical viewing angles.

HP Eye Ease

An always-on, hardware low-blue light filter that helps keep your eyes comfortable throughout the day by reducing blue light without the yellow color shift.

100 Hz Refresh Rate

Enjoy smooth scrolling, life-like video, and clear detail with a 100 Hz refresh rate that delivers fluid movement from frame to frame.

Adjustable Tilt

The tilt-adjustable slim stand helps you find the right angle to maximize productivity and work comfortably.

Plenty of Ports

Easily connect for sharp FHD visuals with multiple ports including 1x VGA, 1x HDMI 1.4, and 1x DisplayPort(TM) 1.2.

3-Sided Micro-Edge Bezel

See more of your screen with a 3-sided micro-edge bezel that maximizes your viewing area for a sleek design and virtually seamless dual-monitor setups.

FAQ

Is the HP Series 3 Pro 27 monitor good for office work?

Yes, it is designed for productivity tasks such as document editing, spreadsheets, email, and multitasking with a large 27 inch Full HD display.

Does this monitor support gaming?

It can handle casual gaming with its IPS panel and up to 100Hz refresh rate, but it is primarily designed for office and productivity use rather than competitive gaming.

Does the monitor reduce eye strain?

Yes, it includes HP Eye Ease low blue light technology and flicker free display features to improve viewing comfort during long usage.

What devices can connect to this monitor?

It supports laptops, desktops, and other devices via HDMI and DisplayPort connections.

Is the display good for dual monitor setups?

Yes, the slim bezel design makes it ideal for seamless multi monitor configurations.
