Xiaomi Super Slim Magnetic Power Bank 5000 - Purple

Product Overview

Xiaomi Super Slim Magnetic Power Bank 5000 - Purple, USB Type-C Input Port, USB Type-C Output Port, Lithium-ion Battery, 15W Max Wireless Output, 10W Max simultaneous Wired and Wireless Output

Specifications

Overview Summary:

The Xiaomi Super Slim Magnetic Power Bank 5000 is the perfect solution for keeping your devices charged while on the move. Its ultra-slim 8.7mm aluminium design makes it easy to carry in a pocket or bag without adding bulk. With a 5000mAh lithium-ion battery, USB Type-C fast charging, and up to 15W magnetic wireless output, it ensures your smartphone and other devices stay powered throughout the day. Shop now to experience reliable, portable charging designed for modern lifestyles in South Africa.

This compact power bank supports simultaneous wired and wireless charging, offers multi-layer protection against overcharging and overheating, and is compliant with international aviation standards-ideal for travellers. Buy now and enjoy a blend of style, convenience, and safety in a single device.

Performance tier: Premium portable charging

Uses: Charging smartphones, tablets, wireless devices, travel power, everyday carry

Overview:

Xiaomi Super Slim Magnetic Power Bank 5000 Purple Portable Charging Solution
The Xiaomi Super Slim Magnetic Power Bank 5000 is engineered for users who require dependable portable charging without unnecessary bulk. Its ultra-slim 8.7mm aluminium alloy body offers a refined, premium feel while remaining lightweight enough for daily carry. Whether you are commuting, travelling, or working remotely, this compact power bank fits easily into a pocket or bag while delivering consistent performance. The magnetic alignment enhances usability, allowing compatible devices to snap into place for seamless wireless charging without cables.

Description:

This compact 5000mAh magnetic power bank delivers a practical balance of portability and performance. It supports fast wired charging via USB Type-C and convenient wireless charging up to 15W for compatible devices. The slim metal design improves durability and heat dissipation, while built-in safety protections ensure reliable everyday use. Ideal for users who need a lightweight backup power source, it is also suitable for travel thanks to aviation-compliant design standards.

Features:

Slim Build with Everyday Practicality
Designed with mobility in mind, the slim profile makes it easy to carry throughout the day without adding weight or bulk. The aluminium alloy casing not only enhances durability but also contributes to better thermal management during charging sessions.

Its magnetic functionality simplifies the charging process, especially for users with compatible smartphones, eliminating the need to manage cables in busy environments.

Flexible Charging Options for Modern Devices
This power bank supports both wired and wireless charging, giving you flexibility depending on your situation.

- Wireless charging supports multiple levels including 5W, 7.5W, 10W, and up to 15W for compatible devices
- USB Type-C wired output supports fast charging up to 22.5W maximum
- Simultaneous wired and wireless charging supported with a combined output of up to 10W

Reliable Power with Built-In Protection

Safety is integrated into the design through multiple protection layers that help safeguard both the power bank and connected devices.

- Protection against overcharging and over-discharging
- Overcurrent and overvoltage safeguards
- Short circuit and temperature control protection

This ensures stable operation whether charging at home, in transit, or during extended use.

Travel-Friendly Power for Daily Use
The 5000mAh capacity provides a convenient energy boost for smartphones and smaller devices without making the unit bulky. Its compliance with international aviation standards makes it suitable for carry-on luggage, supporting frequent travellers and professionals on the move.

Technical Details and Key Data

- Part Number / SKU: BHR08PNGL
- Battery capacity: 5000mAh 3.87V 19.35Wh
- Battery type: Lithium-ion
- Input: USB Type-C 5V=3A, 9V=2.22A
- Wired output: USB Type-C 5V=3A, 9V=2.22A, 10V=2.25A maximum
- Wireless output: 5W, 7.5W, 10W, 15W maximum
- Combined output (wired and wireless): 10W maximum
- Ports: USB Type-C input and output
- Colour: Purple
- Dimensions: 10.2 x 6.9 x 0.9 cm

What is Included

- Xiaomi Super Slim Magnetic Power Bank 5000 Purple x1

Note that only the power bank is included in the package.
