Xiaomi Smart Air Purifier 4 Pro Filter

Product Overview

Xiaomi Smart Air Purifier 4 Pro Filter, Activated Carbon Filter, High efficiency Filter, Primary Filter

Specifications

Overview Summary:

Keep your home air fresh and healthy with the Xiaomi Smart Air Purifier 4 Pro Filter. This genuine replacement filter features a three-layer high-efficiency system, including a Primary Filter, High Efficiency Filter, and Activated Carbon layer, to remove dust, pollen, pet hair, smoke, and unpleasant odours. Designed for South African homes, it ensures optimal indoor air quality while being compact, durable, and easy to install. Shop now to maintain clean, breathable air every day.

Buy the Xiaomi Smart Air Purifier 4 Pro Filter today and experience consistent air purification for your home. Ideal for reducing airborne allergens, smoke, and cooking odours, it keeps your indoor environment safe and comfortable. Order now for reliable performance and long-lasting filtration.

Performance tier:High-efficiency

Uses:Indoor air purification, allergen reduction, pet dander control, odour removal, smoke and VOC filtration, PM2.5 and pollen protection

Overview:

Xiaomi Smart Air Purifier 4 Pro Filter Replacement for Cleaner Indoor Air

Maintaining clean indoor air is essential for comfort and wellbeing, especially in environments where dust, pollen, and urban pollutants are common. The Xiaomi Smart Air Purifier 4 Pro Filter is purpose-built to keep your air purifier operating efficiently, delivering consistent purification across living spaces. Designed to integrate seamlessly with the Xiaomi Smart Air Purifier 4 Pro, this replacement filter uses a multi-stage approach to capture both visible debris and microscopic contaminants, helping improve overall air quality in your home.

Description:

The Xiaomi Smart Air Purifier 4 Pro Filter is a high-performance replacement solution engineered with a three-layer filtration system. It combines a primary filter for larger particles, a high-efficiency layer for fine pollutants such as PM2.5 and pollen, and an activated carbon layer that targets odours and harmful gases. This structure ensures cleaner air circulation, reduces allergens, and helps eliminate everyday smells from cooking, pets, and smoke. Compact and easy to install, it supports optimal purifier performance while maintaining a healthier indoor environment.

Features:

Advanced Filtration System for Everyday Protection

This filter operates through a structured, layered system that progressively removes contaminants from the air. The outer primary layer captures larger particles such as dust, pet hair, and fibres, preventing clogging and extending the lifespan of the inner layers. The high-efficiency filter focuses on finer particles including PM2.5, PM10, pollen, and airborne allergens. Finally, the activated carbon layer absorbs odours and volatile organic compounds, addressing less visible but equally impactful pollutants.

Together, these layers create a balanced filtration process that supports both air cleanliness and consistent airflow, ensuring your purifier performs as intended.

Ideal for Homes, Apartments, and Urban Living

Whether dealing with seasonal allergies, pet-related particles, or indoor odours, this filter is suited to a wide range of living conditions. It is particularly effective in kitchens and compact spaces where smells can linger, as well as in family homes where air quality directly affects daily comfort.

Key Highlights

- Three-layer filtration system combining primary, high-efficiency, and activated carbon layers
- Captures large particles such as dust, pet hair, and fibres

ComX Computers

Product Specification Sheet

- Filters fine pollutants including PM2.5, PM10, and pollen
- Helps reduce allergens and airborne irritants
- Neutralises odours from cooking, smoke, and household sources
- Designed specifically for Xiaomi Smart Air Purifier 4 Pro

Technical Details and Build

- Part Number / SKU: BHR5062GL
- Colour: Black
- Filter types included: Activated Carbon Filter, High Efficiency Filter, Primary Filter
- Product dimensions: 22.6 x 22.6 x 36 cm
- Weight: 1500g

What You Get

- Xiaomi Smart Air Purifier 4 Pro Filter x1
- Instruction manual x1

This replacement filter (SKU BHR5062GL) ensures your purifier continues delivering reliable performance, helping maintain a cleaner and more comfortable indoor environment over time.
