Specifications

Overview:

Experience a new level of dental hygiene with the Xiaomi Water Flosser Replacement Tips MWN505 - 4-Pack for Oral Care. Designed to enhance your Xiaomi Water Flosser's performance, this premium set delivers both precision and versatility, ensuring your oral care routine remains thorough, efficient and tailored to your specific needs.

Each tip in the pack is engineered with meticulous attention to detail. The Xiaomi Water Flosser Replacement Tips deliver a focused 0.6mm water stream, perfectly calibrated to reach deep between teeth and into tight spaces where brushing alone simply cannot reach. This high-precision stream helps remove plaque and debris, supporting cleaner, healthier gums and fresher breath - all from the comfort of your home.

The star feature is the 360degrees rotatable tip, giving you complete manoeuvrability. Whether you're targeting hard-to-reach molars or navigating the contours of braces, the rotating design ensures no area goes untouched. It's about turning everyday oral care into a professional-grade clean.

This 4-pack includes three Standard Tips for daily use - ideal for users with wider gaps between teeth or those who frequently find food lodged in tricky areas. Additionally, it comes with one Orthodontic Tip featuring soft filaments, specifically designed for users with braces. It gently clears debris from around brackets and wires, without irritation.

Made from food contact-safe materials, the Xiaomi Water Flosser Replacement Tips are built for daily use with peace of mind. They're reliable, hygienic, and easy to replace, making them an essential accessory for anyone serious about oral wellness.

Don't let your oral care routine fall short. Keep your flosser performing at its best with the trusted quality of Xiaomi.
