Overview:

Pantum BM4245ADW A4 Mono 3-in-1 Laser Printer: Efficient Printing, Scanning & Copying

Overview of the Pantum BM4245ADW Multifunction Printer:

The Pantum BM4245ADW is a versatile A4 mono laser printer designed for fast, reliable performance in busy offices. This 3-in-1 device combines printing, scanning, and copying functions with advanced features like duplex printing, wireless connectivity, and an automatic document feeder.

Features:

Key Features at a Glance:

- Print speed up to 33 pages per minute (ppm)
- Copy speed of 33 copies per minute
- Automatic duplex printing and copying
- 50-sheet automatic document feeder (ADF)
- Multiple connection options: USB, Ethernet, Wi-Fi, Wi-Fi Direct
- Compatible with AirPrint, Mopria, and Pantum mobile app
- Paper input capacity: 250 sheets; output capacity: 120 sheets
- Scan technology: CIS with flatbed and ADF

High-Speed Printing and Reliable Performance

Experience sharp, professional-quality prints at up to 33 ppm on A4 paper and 35 ppm on letter size. The printer's durable build supports continuous printing up to 200,000 pages with an impressively low jam rate under 0.02%. This makes the BM4245ADW ideal for high-volume office environments where reliability matters.

Efficient Duplex Printing to Save Time and Paper

Automatic double-sided printing helps reduce paper consumption and operational costs. Manual duplex copying is also supported, giving you flexibility for various office tasks without compromising speed or quality.

Flexible Media Handling for Diverse Printing Needs

This printer can handle a variety of media types, including labels, transparencies, curled or creased paper, and thin 60 gsm sheets. The versatile paper handling system ensures consistent, jam-free printing across different materials, making it suitable for a wide range of office applications.

Fast and Easy Setup with Advanced Connectivity

Setting up the Pantum BM4245ADW is quick and simple with one-step installation. Wi-Fi Direct lets you connect to the printer's own hotspot in just 10 seconds, enabling printing without a traditional network-perfect for meetings or remote work.

Multiple Connection Options for Maximum Convenience

Connect via USB, wired Ethernet, or wireless Wi-Fi, with support for both 2.4 GHz and 5 GHz dual-band frequencies to optimize your network performance. Bluetooth technology simplifies Wi-Fi configuration by helping the printer quickly identify your network.

You can print directly from your mobile device using AirPrint (for iOS) and Mopria (for Android), eliminating the need for extra apps. The Pantum mobile app also offers added control and functionality.

Cost-Effective High-Capacity Toner Cartridge

The BM4245ADW uses a high-yield toner cartridge capable of printing up to 11,000 pages. This reduces replacement frequency and lowers the overall cost per page, making it an economical choice for businesses with heavy printing demands.

Summary: Why Choose the Pantum BM4245ADW

- Fast, professional-grade mono laser printing at 33 ppm
- 3-in-1 multifunction with scanning, copying, and duplex capabilities
- Reliable for continuous high-volume use with minimal paper jams
- Supports diverse paper types for versatile printing needs
- Easy wireless and mobile printing with AirPrint, Mopria, and Wi-Fi Direct
- High-capacity toner for cost savings on consumables

The Pantum BM4245ADW is a smart, efficient solution for businesses that require a dependable all-in-one printer with advanced features designed to boost productivity and reduce costs.
