Specifications

Overview:

S08-22D - Compact Electric Single-Motor Sit-Stand Desk

Increasingly Affordable with Advanced Features

With its compact design, S08-22D would be an ideal choice for customers who have limited space whether for home or office. With plenty of margin for resellers to offer customers an affordable price combined with a design that includes the bells and whistles demanded by height adjustable desk lovers. A powerful lifting motor provides smooth, stable operation with zero vibrations during transitions. S08-22D provides the means to become more active and productive whether at work or play.

Features:

- Easy-to-Use Press Controller: makes height adjustment easy
- Strong lifting power with low noise level
- Desktop Customization: choose your own desktop style including size, shape, material and color
- Motor(s) is(are) Thermal and Overload Protected: for safety and longevity
- Strong Motor: ensures a very high stability level
- Adjustable Height: offers maximum comfort and adaptability to multiple requirements
- Adjustable Width: fits a variety of desktop shapes and sizes
- Leveling Feet: adapt to most uneven floor or surface
