

BTRY-RS51-4MA-01

Zebra RS5100 480mAh Lithium Ion Battery

Product Overview

Zebra RS5100 480mAh Lithium Ion Battery, Standard capacity, BTRY-RS51-4MA-01

Specifications

Overview Summary:

Power your device with the genuine Zebra RS5100 480mAh Lithium-Ion Battery, designed to deliver dependable performance and consistent runtime for your compatible Zebra equipment. This standard capacity battery is built for reliability, making it ideal for demanding work environments where uninterrupted operation is essential.

Whether you need a replacement or a spare for continuous workflow, this original Zebra battery ensures optimal compatibility and long-lasting efficiency. Order online today and buy now to keep your operations running smoothly across South Africa.

Performance tier:Standard capacity

Uses:Barcode scanning, warehouse operations, retail inventory management, logistics, field mobility devices

Overview:

Zebra RS5100 480mAh Battery BTRY-RS51-4MA-01

The Zebra RS5100 480mAh Lithium Ion Battery BTRY-RS51-4MA-01 is a reliable power solution designed specifically for the Zebra RS5100 wearable scanner. Built with lithium ion technology and engineered for consistent output, this standard capacity battery helps maintain productivity in demanding warehouse, retail, and logistics environments. Its compact design integrates seamlessly with compatible devices, delivering dependable performance throughout the workday.

Description:

The Zebra RS5100 standard 480mAh battery provides steady, efficient power for Zebra wearable scanning operations. Designed for a precise fit and optimal compatibility with the RS5100 scanner, it supports uninterrupted workflows in fast paced environments. Lightweight yet durable, this lithium ion battery ensures consistent performance, quick replacement, and dependable operation across global business settings.

Features:

Compatible Product

This battery is designed for use with the Zebra RS5100 wearable scanner, ensuring proper fit, secure connection, and reliable power management.

Core Details

- Product name: Zebra BTRY-RS51-4MA-01
- Product type: Battery
- Brand compatibility: Zebra
- Color: Black
- SKU: PR-0010093
- Manufacturer part number: BTRY-RS51-4MA-01

Battery Technology and Capacity

Equipped with lithium ion technology, this standard battery delivers stable power output with a capacity of 480 mAh. It is engineered to support the performance requirements of the Zebra RS5100, helping teams stay efficient during scanning tasks, picking operations, and inventory management.

Key battery information:

- Battery technology: Lithium Ion
- Capacity: 480 mAh
- Standard capacity configuration
- Worldwide use

Built for Demanding Work Environments

The Zebra RS5100 480mAh lithium ion battery is designed for professional environments where uptime is critical. Its dependable performance helps reduce interruptions, making it a practical choice for warehouses, distribution centers, and retail operations that rely on wearable scanning technology.

By choosing the genuine Zebra BTRY-RS51-4MA-01 battery, businesses ensure compatibility, optimized device performance, and consistent power delivery tailored to the Zebra RS5100 platform.
