Overview:

Keychron Coiled Aviator Cable Red for Keychron Keyboards
The Keychron Coiled Aviator Cable is a premium keyboard cable created for Keychron keyboard users who want a cleaner, more stylish workspace. Its eye-catching red and black braided finish adds personality to any desk, while the coiled design helps reduce cable clutter by stretching when needed and neatly retracting when not in use. The detachable aviator connector provides a secure and convenient connection point, making it easy to disconnect your keyboard without placing unnecessary strain on your USB ports. A USB Type-C to USB Type-A adapter is included, allowing compatibility with both newer and older computers straight out of the box.

Description:

Upgrade your desk setup with the Keychron Coiled Aviator Cable, designed to combine durability, convenience, and style. The premium braided sleeve helps protect the cable during everyday use, while the coiled section keeps your workspace organised without sacrificing flexibility. The detachable aviator connector adds a premium touch and simplifies connecting or disconnecting your keyboard. Whether you are building a minimalist workstation or a colourful gaming setup, this cable offers a practical and attractive solution for compatible Keychron keyboards.
