

CAB-RG59CCS+PS5-305

UltraLAN RG59 CCS Siamese coaxial & Power cable - 305m roll

Product Overview

UltraLAN RG59 CCS Siamese coaxial & Power cable - 305m roll, Copper coated Steel Coaxial Cable

Specifications

Overview:

UltraLAN RG59 CCS Siamese Coax & Power Cable (305m)

The UltraLAN RG59 Siamese Coaxial Cable features a copper coated steel coaxial cable paired with 2x power wires to simplify installations. This cable allows CCTV installers to run both video and power to security cameras using a single cable run.

The coaxial cable is 75 Ohm and has a metal braid for reduced interference. This is a cost effective RG59 cable for security, surveillance and CCTV applications where one needs to distribute video and power to cameras in remote locations.
