Overview:

BLACK TONER FOR HP 508A - CF360-508A

The Microworld CF360-508A compatible black laser toner cartridge is designed as a reliable replacement for HP 508A black toner. With a page yield of up to 6,000 pages based on standard 5% coverage, it is well suited to offices and business environments that require consistent black printing without frequent cartridge changes.

Description

The CF360-508A is a standard capacity black laser toner cartridge developed for compatible HP Colour LaserJet Enterprise printers. It provides clear, professional-looking black prints for everyday documents, reports, forms and other business materials. As a compatible HP 508A toner cartridge, it offers a practical alternative for users looking to maintain printing performance while managing ongoing toner costs.

Its 6,000-page yield makes this cartridge suitable for regular office printing, particularly where dependable output and reasonable cartridge replacement intervals are important.
