Product Overview

Corsair CC-9011259-WW 6500D Airflow - Black + Tempered glass side panel - meshed front+side+top panel - with dual chamber design for psu + hdd + cables, support reverse connector motherboards, support 4x vertical GPU mounting via optional CC-8900717 mounting Kit)

Specifications

Overview:

The CORSAIR 6500D AIRFLOW Mid-Tower Dual Chamber PC Case delivers exceptional airflow and cooling with fully mesh paneling and a dual chamber design for an organized, stunning build.

Features:

- Dual chambers for a streamlined look
- Lots of customization options
- Compatible with reverse connector motherboards
- Unrivalled airflow performance
- Wide cooling flexibility

CHOOSE YOUR ADVENTURE

Freedom of choice inside and out. Choose your cooling setup: opt for more glass to showcase your components, or a more subtle airflow configuration - in more than just black or white.

DUAL CHAMBER DESIGN

Show off your cleanest, most organized build in one chamber equipped with a multitude of fan and radiator mounts, while hiding cable routing, storage drives, and your PSU in the second chamber.

A FLAWLESS VIEW

Take advantage of reverse connector motherboard compatibility (ASUS BTF, MSI PROJECT ZERO) and iCUE LINK and win the war on cables once and for all.

UNRIVALED AIRFLOW

Optimal airflow and exceptional cooling thanks to fully mesh front, side, bottom, and roof paneling, ensuring stable

performance for your high-end components.

WIDE COOLING FLEXIBILITY

Customize your cooling setup with room for up to 13x 120mm or 9x 140mm fans, including versatile radiator mounting options for up to 360mm in the front, roof, bottom, and side.

Dimensions

The 6500D AIRFLOW has more than enough space to accommodate and cool your most ambitious build.

Fan Capacity

Surround your system on all sides with a healthy amount of airflow to keep it running at its peak.

Radiator Capacity

Radiator mounting positions everywhere you look make the 6500D AIRFLOW a custom cooling dream.

MODERN FRONT PANEL I/O

Puts your connections within easy reach, including a USB 3.2 Gen 2 Type-C Port, 4x USB 3.2 Gen 1 Type-A ports, and a combination audio/microphone jack.

- Reset Button
- 4x USB 3.2 Gen 1 Type-A Ports
- USB 3.2 Gen 2 Type-C Port
- Headphone / Mic Combo Jack
- Power Button
