Specifications

Overview:

Elite 311 (RC-311) , successor of our Elite 310, with improved PSU placement for better cooling, it accommodates micro-ATX and ATX motherboards, built with a modern black design body and multi-color frame on the front panel. This chassis maintain Elite's pedigree of compact-sized and quality build that would look great in any space. To express more character to the product, Elite 311 will also have the multi-color selections demanding for the customers in the future release.

Features:

- Front Vent provides superior ventilation to maintain constant cooling
- Multi-color front panel for individual preferences
- Supports Long VGA cards including ATI's HD 5970, (HDD Cage will need to be removed when installing VGA in the 4th slot and below)
- Side ventilation holds for better cooling performance
- Rear 120 mm fan provides the best cooling solution
- Improved PSU placement (Bottom) Removable HDD Cage
