Specifications

Features:

Minimalistic Approach to PC Aesthetics

The tinted tempered glass side panel complements the A5's overall modern vibe. The front panel is pristinely clean and is embellished with a silver InWin logo and a brushed golden aluminium sheet.

Compact E-ATX Enclosure

The A5 is a compact case that does not occupy much space and yet makes the most of its modest dimensions. It's smaller than most mid towers, but allows PC builders to assemble a powerful rig!

Stuff It With Hardware!

This mid tower can support up to E-ATX system builds while accommodating high-end graphics cards and power supply.

2.5" / 3.5" storage

The A5 supports multiple 2.5" / 3.5" storage devices. The case offers strategically placed channels behind the motherboard tray for clean and easy cable management.

Vertical Airflow Layout

Since heat rises, the A5's internal layout works in accordance to this fact. The top and bottom feature ventilated filter panels to combat dust and heat. With the PSU secured at the front, air can naturally propel upwards in the main chamber.

Don't Screw Yourself! Go Screwless!

The toolless tinted tempered glass side panel offers a refreshing view of the internal hardware! Meanwhile, the top panel, steel side panel, and bottom filter are screwless too for easy access and cleaning.

Product Specification Sheet

Know I/O?

The A5 features one USB 3.2 Gen 2x2 Type-C port, two USB 3.2 Gen 1 Type-A ports for fast charging speeds and outstanding data transfer rates and a headset audio jack utilizing the international CTIA standard.

Slim Silent Cooling Fan Mercury AM120S

Pre-installed silent ARGB fan AM120S provides powerful cooling performance within a slim 20 mm frame.

Specifications

Product Code	CH-IA5-K
Model	A5
Model Number	IW-CS-A5BLK-1AM120S
Colors	Black
Case Type	Mid Tower
Materials	SECC, Tempered Glass, Aluminium, PC-ABS
M/B Compatibility	12" x 11" E-ATX, ATX, Micro-ATX, Mini-ITX
Expansion Slots	7 x PCI-E
I/O Ports	VGA Card Length: 340 mm
	CPU Heatsink Height: 162 mm
Internal Drive Bays	1 x USB 3.2 Gen 2x2 Type-C
	2 x USB 3.2 Gen 1
	HD Audio Combo (CTIA - SPK/Mic)
Thermal Solution Compatibility	2 x 3.5" / 2.5"
	2 x 2.5"
	Air Cooling Fans:
	Top: 2 x 120 mm
	Rear: 1 x 120 mm
	Bottom: 2 x 120 mm
	(1 InWin Mercury AM120S Fan Included)
Power Supply Compatibility	Water Cooling Radiator:
	Top: 1 x 240 mm
Product Dimensions	PSII: ATX12V
	- Length between 140 - 200 mm
	(PSUs longer than 170 mm will need to build with GPUs 280 mm or shorter)
(L x W x H)	399 x 215 x 407 mm
	15.7 x 8.5 x 16"
