UGREEN 38-in-1 Aluminum Alloy Screwdriver Set

Product Overview

UGREEN 38-in-1 Aluminum Alloy Screwdriver Set

Specifications

Overview:

The UGREEN Precision Screwdriver Set is an essential toolkit for professionals and DIY enthusiasts who require precision, durability, and convenience. Designed with an ergonomic aluminium alloy handle, this set ensures a comfortable grip and effortless control, making intricate repairs more manageable than ever. Whether you are working on electronics, smartphones, laptops, or household appliances, this UGREEN Precision Screwdriver Set provides the versatility needed for delicate tasks.

Featuring a magnetic extension bar and 36 high-quality screw bits, this screwdriver set is built for efficiency and precision. The rotating cap design enhances manoeuvrability, allowing for smooth and flexible operations. The front-end magnetic design ensures that screws are securely held in place, reducing the risk of dropping or losing small components.

Crafted from chrome vanadium steel, the screw bits are forged and heat-treated for superior durability and long-term performance. The fully automatic flip-cover case allows for easy access, standing upright on your workspace with just the press of a button. This UGREEN Precision Screwdriver Set is perfect for professionals, repair technicians, and hobbyists looking for a reliable solution for intricate assembly and repair work.

Features:

- Aluminium alloy handle ensures durability and a comfortable grip
- Magnetic extension bar enhances precision and control for delicate tasks
- 36 high-quality screw bits, made from chrome vanadium steel for strength and longevity
- Ergonomic handle with a rotating cap for smooth, flexible operation
- Magnetic front end holds bits securely and magnetises screws for easier handling
- Automatic flip cover with a single button press
- Ideal for DIY projects, electronics, and general household repairs
