Canyon BTHS-3 Beige Wireless headphones

Specifications

About this product

Experience high-quality audio with the CNS-CBTHS3BE Canyon BTHS-3 Beige Wireless Headphones. Featuring Bluetooth 5.1 connectivity, foldable and adjustable design, and an inline microphone, these headphones deliver comfort and crystal-clear sound. With up to 15 hours of playtime and a USB-C charging port, you can enjoy long-lasting wireless listening with a 10m

operating range, making them ideal for everyday use.

Overview Summary

Product:Canyon BTHS-3 Beige Wireless Headphones

The Canyon BTHS-3 headphones combine ergonomic design with powerful audio performance. The foldable and adjustable frame ensures a secure and comfortable fit, while the 40mm drivers deliver clear, dynamic sound across a frequency range of 20Hz-20KHz. Impedance of 32ohm+/-15% and speaker sensitivity of 112+/-3dB make them suitable for both casual listening and immersive media experiences.

Bluetooth 5.1 provides a stable connection up to 10m, and the inline microphone allows hands-free calling. With a 300 mAh battery, these headphones offer up to 15 hours of uninterrupted playback, recharged conveniently via USB-C.

Performance tier:Mid-range

Uses:Music listening, gaming, online meetings, casual media consumption, travel

Overview

These Canyon wireless over-ear headphones may be your to-go choice for everyday life. They are packed with Bluetooth 5.1 and audio jack 3,5 mm, so you don't have to worry about compatibility. The inline mic is highly sensitive and provides excellent clarity. The headphones are foldable - shouldn't take up much space if you need to carry them around. We also made a headband that will last: it is adjustable and reinforced by metal parts. Soft, comfortable cushions cover 40mm speakers, and the exterior is streamlined and feels like quality. Enjoy up to 15 hours of playtime with Canyon BTHS-3!

Description

The Canyon BTHS-3 Beige Wireless Headphones are designed for seamless audio enjoyment. The foldable and adjustable construction ensures a comfortable fit for extended listening sessions. Equipped with 40mm high-performance drivers, these headphones provide rich bass, balanced mids, and crisp highs. The inline microphone allows clear voice capture for calls or online meetings. Bluetooth 5.1 ensures reliable connectivity with minimal latency, while the USB-C charging port offers fast and convenient recharging. With a lightweight design and up to 15 hours of battery life, these headphones are perfect for daily commutes, travel, and home use.
