Corsair ML140 140mm PWM 400-2000 rpm Premium magnetic levitation fan - Dual pack

Product Overview

Corsair ML140 140mm PWM 400-2000 rpm Premium magnetic levitation fan - Dual pack with Lighting Node Core - White, Magnetic levitation bearing Type, Static pressure Flow Type, RGB LED Colour, PWM control, Corsair iCUE compatibility, 400 - 1600 rpm speed, 15 - 82.9 CFM fan Airflow

Specifications

Overview:

SKU CO-9050119-WW

iCUE ML140 RGB ELITE Premium 140mm PWM Magnetic Levitation Fan - White Dual Fan Kit with iCUE Lighting Node CORE

The CORSAIR iCUE ML140 RGB ELITE Premium 140mm PWM Magnetic Levitation Dual Fan Kit - White Frame boasts CORSAIR AirGuide technology and magnetic levitation bearings for low noise and high cooling performance.

Features:

PREMIUM MAGNETIC LEVITATION FAN WITH AIRGUIDE TECHNOLOGY

FOR A COOLER FUTURE

ML RGB ELITE SERIES

Up your game by harnessing the power of AirGuide Technology and Magnetic Levitation for the ultimate high-performing experience.

CORSAIR AIRGUIDE TECHNOLOGY

ML RGB ELITE series fans feature anti-vortex vanes that channel directed airflow. Whether used as intake, exhaust, or mounted to a liquid cooling radiator or heatsink, the AirGuide Technology will increase static pressure and concentrate your airflow for more enhanced cooling.

FRICTION MEETS REALITY

Powered by magnetic levitation bearings, the ML RGB ELITE produces little friction, low noise, and longer-lasting durability than traditional bearing fans.

COOLING WITHOUT COMPROMISE

Up to 2000 RPM*, PWM fan control with zero RPM mode provides dynamic speed adjustments so you can find the perfect balance in airflow that your system needs.

*120mm models only. 140mm models up to 1600 RPM.

Lighting At Your Command

Equipped with eight ultra-bright, hub mounted RGB LEDs, the ML RGB Elite puts the spotlight on your build with mesmerizing blast of colors and effects.

Control and customize captivating lighting effects with the robust iCUE software, bringing your system to life with dynamic RGB synchronized across all your iCUE compatible products such as the ELITE LCD Display*

*Requires a CORSAIR RGB Lighting Controller, sold separately.

BE SEEN NOT HEARD

The powerful translucent fan blades spin quietly even at full speed, providing high airflow while letting your lighting shine through.

Unite your setup

CORSAIR iCUE software brings your entire setup together, creating a fully immersive ecosystem with intuitive control.

Specifications

Product Code	CO-9050119-WW
Fan Size	140mm x 25mm
Bearing Type	Magnetic Levitation
Flow Type	STATIC PRESSURE
LED Color	RGB
PWM Control	Yes
CORSAIR iCUE Compatibility	Yes
Weight	0.197
Package Quantity	1
Speed	400 - 1600 RPM +/-10%
Sound Level	10 - 31.8 dBA
Power Draw	0.145A
Static Pressure	0.30 - 2.06 mm-H2O
Fan Airflow	15 - 82.9 CFM
